Yanks clear out of Libya

THE U.S. has shut its embassy in the Libyan capital Tripoli over security concerns.

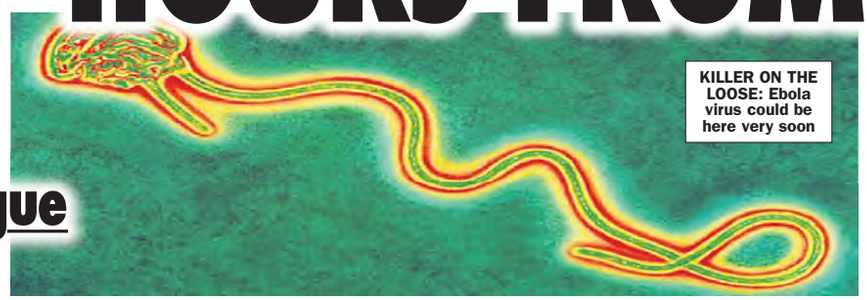
Embassy staff, which includes marine guards providing security to the embassy, have been temporarily evacuated to Tunisia "due to the ongoing violence resulting from clashes between Libyan militias," authorities said last night.

Fighter jets from the U.S. Mediterranean Fleet and unmanned drone aircraft provided air cover for the flit.

State department officials have urged Yanks not to go to Libya – a formerly stable country under Col Gaddafi (*above*) now in the hands of Islamist headbangers.

EBOLA 7 HOURS FROM BRITAIN

Terror as death plague spreads by airlines



KILLER plague Ebola is just SEVEN HOURS from Britain and could arrive at ANY MOMENT on a plane from Africa.

That's the grim outlook confirmed after an infected man began coughing up blood and DROPPED DEAD at Nigeria's main airport.

Civil servant Patrick Sawyer, 40, keeled over and died in hospital shortly after arriving at the capital Lagos on a flight from Liberia.

He was reportedly seen vomiting on board the plane before it landed in Nigeria. As the deadly virus spreads via bodily fluids, potentially anyone on the plane could be now infected.

The virus turning up at an airport is a nightmare scenario for authorities. Murtala Muhammed International Airport near Lagos is one of Africa's busiest terminals and has worldwide connections – including three daily flights to the UK.

Around 142,000 Nigerians visit the UK each year and many thousands of Brits go there to work in the country's booming oil industry.

Experts have long feared that air travel is the way in which any modern pandemic would spread – a theory fictionalised in the *Planet of the Apes* franchise.

Authorities in Lagos have now stepped up entry surveillance at all "airports, seaports and land borders".

Since February 660 people have died of Ebola in West Africa in the deadliest outbreak to date.

It began in southern Guinea and spread to Sierra Leone and Liberia before reaching Nigeria.

Ebola – for which there is no known cure – kills up to 90% of those infected.

It attacks the nervous system and causes internal and external bleeding, vomiting and squits.

Nigerian health minister Onyebuchi Chukwu said other passengers on the Liberia flight had been traced and are being monitored, and added: "All ports are on red alert."

Dawn: 'I'd have had Bill's cock'

TELLY host Dawn O'Porter says she'd have "enjoyed every minute" of sucking Bill Clinton's COCK!

The presenter was sticking up for Clinton's notorious intern Monica Lewinsky, who famously gave the former U.S. President a blowjob in the White House when she was 22.

Clinton first denied the 1998 incident but was later forced to admit that he DID have sex with "that woman".

In a column for women's magazine *Glamour*, Dawn (*above*), 35, said: "I keep imagining myself in her position at 22 – an intern at the White House who ends up having sexual relations with the President.

"It's like a movie. A young girl seduced by charm and power – it happens all the time, but the President? Sheesh!!

"I'm sure there are few girls of that age who wouldn't go dizzy at the idea of it. I would have done – I'd have jumped at the chance to get frisky in the Oval Office, and consequences and morals probably wouldn't have played a part in it.

"I'd have allowed myself to be pursued and enjoyed every minute of it."

Boobs hell of pop babe Ellie

POP babe Ellie Goulding has told the world – stop obsessing over my breasts!

The 27-year-old singer (*above*) reckons there's more to her than a pair of knockers and insists the media should see past her funbags.

Blonde beauty Ellie said: "It's all about angles, that's how photographers do it.

"It's very wrong, very naughty.

"Side boob…why can't you wear a swimsuit?

"Luckily I've got to the point where nothing can obscure the fact that I'm a successful artist.

"I've done well and people still really love my music. I'm always about the music."

You could hang a medal off them!

THESE girls are clearly VERY excited to have won Commonwealth Games medals.

Because they both sported seriously pointy nips after collecting gongs for the ladies' triathlon.

The two English girls made history by both making the podium for the first event of the Glasgow event.

Jodie Stimpson, 25, looked PERKY flying the flag of St. George after dominating the closing 500m.

'Flying shark fears' Tara's a bite wacky

DITZY actress Tara Reid has left movie fans stunned by saying: "Sharknado could really happen!"

The 38-year-old scorcher (*above*), who stars in upcoming sci-fi comedy *Sharknado 2: The Second One*, reckons the tall tale about an army of sharks getting whisked ashore by a freak tornado and wreaking havoc on the local population is REALISTIC.

When asked about her personal opinion of a "sharknado" actually happening in America, the clueless star said she was open to the possibility, but said it was probably unlikely.

She admitted: "The chances of it are, like, you know, like probably 'pigs could fly'.

"Like, I don't think pigs could fly but actually sharks could be stuck in tornadoes. There could be a sharknado, if you think about it."

Therapist guilty of breast gropes

A GROPING sports therapist is facing jail after he sexually assaulted three women clients.

Clifford Pill fondled their breasts while he was giving them a massage for back pain.

The victims said there came a stage during the massage when the 66-year-old asked them whether or not they checked their breasts for lumps, then began to massage them beneath their bras.

Pill had denied all three charges against him, telling Truro Crown Court he'd been married nearly 50 years before studying anatomy, physiology and massage and setting up his business the Working Body from his home in Falmouth, Cornwall.

The jury convicted him on all three sex charges and the case was adjourned for reports.

FAMILY VIEWING: Oddballs Anne, Lesley and Andy

WE'RE GOING ON GOGGLEBOX!

Meet the newest family to join C4 show

MEET the Murrays – the controversial new stars of Channel 4's award-winning *Gogglebox*.

Strange siblings Anne, Lesley and Andy are the latest couch potatoes ready to offer their views on all things telly.

And in a bid to usurp current favourites "posh" Steph and Dom Parker (*below*), they'll be doing it while sat, for no apparent reason, completely in the NUDE.

By JUSTIN DUNN
justin@sundaysport.co.uk

The Murrays, from Slough, Berks, are signed up for the forthcoming fourth series of the brilliant BAFTA-winning show, which films ordinary folk at home chatting about what they're watching on the box.

Anne, 72, is the eldest of the three, and says her two favourite shows are *Long Lost Family* and – bizarrely – *Hannibal*.

The retired cook shop assistant said: "I love me tales of abandoned orphans, of course I do, but I also like the macabre and visceral murder scenes that *Hannibal* does so well.

Depravity

"I don't know why people think it's strange that I enjoy watching such psychotic depravity while sat naked alongside my brother and sister. We've always done it.

"It's no different to when we were toddlers all sharing a bath. The only thing that's changed is that we're a bit more wrinkly than we used to be!"

Former tea-lady Lesley, 66, cites her favourite shows as *Countryfile* and *Bates Motel*.

She said: "Like most ladies my age I just can't get enough of John Craven. The things I'd do to that poor beggar if I got my hands on him!

"And as for *Bates Motel*, well, when that young Norman Bates grows up he'll make a fine figure of a man. Just because he loves his mum so much doesn't make him odd to me."

Youngest sibling Andy, 60, insists *Gogglebox* viewers will enjoy his commentary on BBC2's *Daily Politics* and his favourite channel, *Babestation*.

He explained: "As a keen Green Party member I enjoy shouting at the television knowing I'll never be heard or taken seriously.

"I do tend to wait until my sisters have gone to bed before I watch *Babestation*, or else we all feel quite uncomfortable."

A Channel 4 spokesman had failed to return our calls before *Sunday Sport* went to press.

Games moaners look tits now!

THERE were, as usual, naysayers who scoffed that the Commonwealth Games in Glasgow were doomed to failure.

The Jeremiahs groaned that Scotland was "too rainy" or that the locals were "too drunk" for the sporting spectacle to succeed.

HAH!

The doom-mongers should this day take up large spoons and eat their words of negativity.

For when we saw those triathlon birds and their stiff little nipples on Thursday, we knew.

Glasgow 2014 was going to be a poke in the eye for the killjoys!

Tulisa: 'I lost my virginity at 14 & had too many boys too soon'

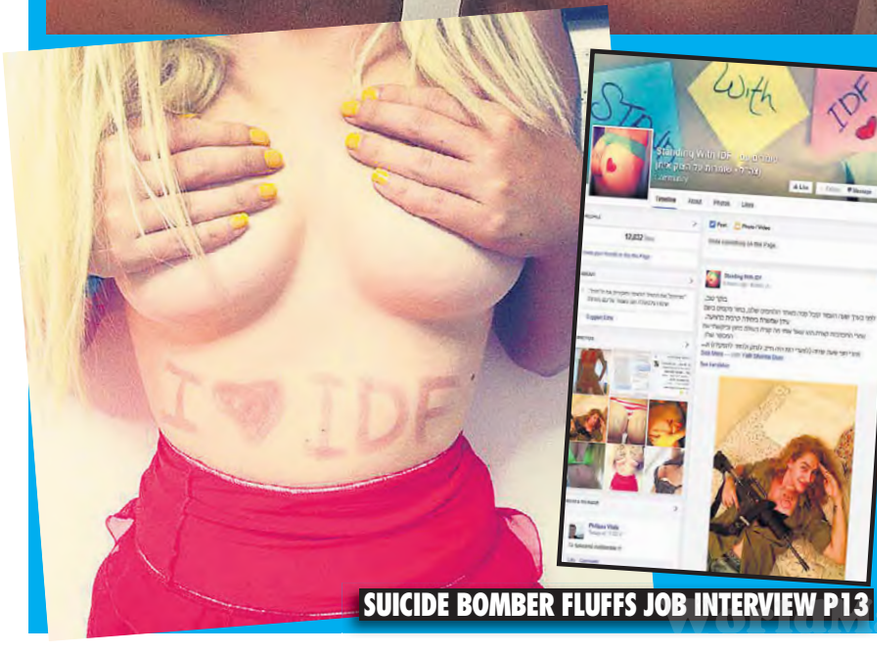
'Northerners slobs' a myth

NORTHERNERS are shedding their Jim Royle image after a poll found that those living there do DOUBLE the amount of exercise than 'soft southerners'.

A poll of 1,000 people across the UK found that 63 per cent of those living above the north-south divide, which starts just above the Midlands, exercised regularly.

By comparison, just 33 per cent of those south of that line admitted exercising regularly – banishing the myth that they are 'fitter and healthier' while northern types are all like the *Royle Family*'s Jim (*above*).

The poll was carried out by 'big and tall' people store High and Mighty.



SUICIDE BOMBER FLUFFS JOB INTERVIEW P13

By JUSTIN DUNN
justin@sundaysport.co.uk

FORMER *X Factor* judge Tulisa Contostavlos lost her virginity to a dope dealer when she was just 14, it has been revealed.

But the singer bitterly regrets it as she wanted her N-Dubz bandmate Fazer to be her first time lover.

Tulisa was in an on-off relationship with the rapper in her teens, but then found herself growing close to her marijuana supplier.

She had sex with the man she names only as 'Jono' when she was 14, but regretted it.

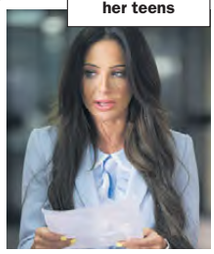
In her autobiography, *Honest: My Story So Far*, she writes: "I hoped if I slept with a guy he would look after me and make me feel loved, and I wanted to be looked after and loved more than anything.

Weed

"By the time I was 17 I had gone through this so many times and dated so many wankers that I was starting to get the measure of it.

"It all started when I was 14 and began dating a good-looking 17-year-old. I'd progressed from alcohol to weed, and Jono was the dealer who supplied me.

"I started hanging out with him, sitting in his car, talking and kissing.



NUMB: Star at court (*below*) slept with "a lot" of men in her teens

In the end I became obsessed with him."

Tulisa reveals she lost her virginity to Jono in a bed and breakfast in London's Kentish Town after eight months – and was filled with regret over the experience.

She said: "Afterwards, I felt slightly numb. Was that it? All the time I was on and off with Fazer, he really wanted us to have sex, but was a gentleman about it.

"And now I'd given myself to someone else. I very much regret this now, and I wish that Fazer had been my first, but it wasn't to be."

Her relationship with Jono fell apart shortly after when she found out he had a girlfriend.

She said: "Once I'd lost my virginity, there was no getting it back, so I saw no reason not to sleep with a guy if that's what he wanted to do."

But she added: "I can still count on my fingers and toes the number of guys I've slept with.

"A good percentage of those encounters happened between the ages of 14 and 17 and that felt like a lot, even at the time."

Last week Tulisa's trial for alleged drug-dealing collapsed amid allegations an undercover reporter had lied to a court.

An inquiry into the collapse is now under way.

On Friday, in a seperate case, Tulisa was found guilty of assaulting a man at a music festival.

Vile lag did a dump to smear filth on cell walls

A PRISONER who used his own SHIT to write on the walls of a cell has been jailed for 18 weeks.

As well as the dirty protest, Ross Richards also told officers he had AIDS before threatening to spit blood in their faces, JPs heard.

The court heard that the police cell had to be steam-cleaned after Roberts spread his faeces around the floor and used it to write on the walls on July 11.

In an earlier incident he had kicked out and damaged a sat-nav in a patrol car and, after being transferred to a police van, broke the plastic casing around an interior light.

At Hereford Magistrates' Court his defence said Roberts had been re-arrested for an offence he believed had been dealt with – provoking his angry reaction.

Roberts, of Hereford, pleaded guilty to all charges and the presiding magistrate handed him a total of 10 weeks imprisonment for criminal damage and a further two for stealing an e-cigarette from ASDA.

A six-week suspended sentence – for stealing a charity box from the a pub in February – was also activated.

PAIN IN THE ARSE!

NHS deals with 5,000 emergency PILES cases in a year

By JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

BUM DEAL: Viz magazine pokes fun at arse grapes

MORE than 5,000 people were whisked past hospital queues last year with exploding PILES!

Around 100 patients a week were admitted as emergency cases because their "Nobbies" had gone critical.

The average waiting time for a person to be admitted for treatment in English NHS hospitals is 51 days, according to Health and Social Care Information Centre (HSCIC) figures.

But in cases where the patient is in dire "critical need", admission is fast-tracked.

And bulging bum sores are such a hazard that patients are whipped into surgery where specialist arse doctors contain the situation.

Straining

A Freedom of Information request by *Sunday Sport* has revealed a staggering 5,385 cases of piles last year were treated as "code red".

An NHS source said: "There is no strict set of rules governing emergencies, but severe cases would usually be treated sooner, and this applies also to haemorrhoids."

Piles are swollen, painful blood vessels which appear in and around the ringpiece and are caused by stress, a low-fibre diet or excessive straining while SHITTING.

Although potentially fatal in extreme cases, severe piles are a running joke in *Viz* comic strip *Nobby's Piles*.

Chelsea FLASHion show!

REALITY TV BABE KIMBERLEY'S KNICKER SLIP UP

IF there was a TV show to encourage class hatred and further the cause of revolutionary socialism, it's the Channel 4 abomination *Made in Chelsea*.

The revolting "reality" programme showcases a group of young, rich types who don't even have a nodding acquaintance with reality.

Until recently, blonde Kimberley Garner was one of the cast members. Kim – daughter of a property developer – said that working on the show was "very tough". Yes. She said "tough".

But the 24-year-old can be forgiven many of her crimes against humanity because she accidentally flashed her drawers in the street in London's posh Mayfair district.

One witness said: "I was fired up with the righteous fury of the oppressed proletariat until I saw Kimberley's crisp, white panties… coo!"

Man's suicide after partner fancies Danny

A MAN hanged himself after his missus said she fancied DANNY DYER.

Dale Daniel Challoner, 31, was found dead in a community garden after he stormed out of his home following an argument.

An inquest into his death heard that he had argued with his partner Danielle Plumpton after she commented that the *EastEnders* star (*above*) was good looking.

But the flippant comment had tragic consequences as she pointed out he'd made similar comments about reality TV star Kim Kardashian, and could get a bit jealous.

Miss Plumpton told an inquest, at Aberdare, Powys, that the slaughterman was on anti-depressants and liked to drink.

Mr Challoner's body was found by a man walking to work near Mochdre, Conwy, at about 7am.

Powys coroner Andrew Barkley concluded that Mr Challoner's death was suicide.

Sex rap Dana bro is cleared

THE brother of former Eurovision winner Dana has walked free from court after he was cleared of historic sex abuse charges.

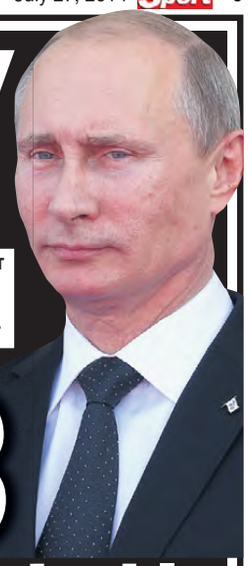
John Brown, 60, was acquitted of five counts of indecent assault against two girls under the age of 13 and 16 at several locations in Northern Ireland and England during the 1970s.

Brown, of Bracknell, Berkshire, had denied all of the claims or that his 62-year-old sister helped him to cover up the allegations.

The *All Kinds Of Everything* singer – full name Dana Rosemary Scallon – kept her eyes closed and then cried as the last verdict was delivered following nearly 12 hours of deliberations at Harrow Crown Court.

Ms Scallon said she could not comment on the outcome because of an ongoing defamation case.

PUTIN TRANNY BATTERED BY REVENGE MOB



ROCKET MAN: Putin is not popular

VLAD IDEA: Brian got twatted for dressing up as Russian monster

Cross-dressing double of Russian monster flees nightclub gig

Sunday Sport EXCLUSIVE

By BARNEY SAMUELS
news@sundaysport.co.uk

A TINY-COCKED transvestite stripper who is the DOUBLE of Vladimir Putin has been beaten up by a mob inflamed by the Russian tyrant's airliner-downing antics.

Brian Kenworthy, 45, has spent the last six months performing his Putin tranny strip – poking fun at the Moscow monster's robust anti-homosexual policies. *Sunday Sport* reported on his success back in March.

But the Stoke-on-Trent sodomite's turn hit a bum note after the downing of flight MH-17 by pro-Russian Ukrainian separatists and the deaths of all 298 on board.

With blame for the outrage laid squarely at the door of the blood-soaked Russian President, Brian – who performs under the name "Vlad the Impaler" – became a scapegoat.

He sobbed last night: "Perhaps, in hindsight, with emotions running so high and more irresponsible sections of the media stoking the case for war with Russia, going out dressed as Putin was not that sensible.

Distaste

"But I had three gigs on Wednesday night – that's six hundred quid – and I wasn't going to turn them down.

"When I got on stage at the first venue, in Birmingham, I wasn't greeted with the same enthusiasm I normally get. I could see people turning away in distaste. I should have read the signs."

But brave Brian pressed on – only to be BOOED OFF stage at the next pub he performed in.

He whimpered: "I've never had that before. As I was getting into my car a group of six blokes came up, pushing and shoving, saying I was a sicko.

"A couple of them punched me and I went down – and not in a good way. They got a few boots in and then fled.

"I was bruised and shaken but most of all I was distraught at seeing my livelihood disappearing. I don't think my Putin anti-tribute strip will be making an appearance in the near future."

Last night a spokesman at the Russian Embassy pretended not to understand the question when we asked about the attack on Brian.

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

FINALLY – *Big Brother* became entertaining!!!

This week has been the best by a mile. New housemates came in, Danielle and her fake life left, the power returned and it caused MURDER!

Only downside is that Helen *(right)* is still breathing.

Well, there's a few more weeks left so fingers crossed, eh?

I loved seeing the fake tears and Oscar winning performances from the power housemates when they had to explain their reasons for nominating.

Why not just be yourself and say: "I nominated (insert name of gobshite here) because they grate on my pisser 24 hours a day."

THE most entertaining thing about *Big Brother* is watching Lauren Harries on *Bit on the Side*. She acts like she's Elizabeth Taylor. Deluded... but you gotta love her.

POOR Tulisa Contostavlos' alleged supplying of drugs to an undercover reporter was chucked out of court.

I wondered if this was going to see Tulisa locked up, so I was shocked at how the whole thing fell apart.

The former *X Factor* judge and her BFF, Gareth Varey, expressed their joy via Twitter. "Justice" was tweeted by Gareth.

Dear God, you'd think Tulisa was the new Mandela the way this pair of chavs are going on!

It's over now. Shut up.

ON the subject of deluded reality TV "stars", MTV have announced a second series of *Ex On The Beach*.

Oh, I can't wait for that! I wonder which fat *Geordie Shore* reject they will have to anchor this series?

Maybe now the parasites who appeared on series one will stop begging for free socks and lipstick on Twitter and get a job. You are NOT famous!

And how will MTV deal with the "surprise" of an ex turning up? Maybe they will hand-pick a bunch of fakes to pretend they're separated when really they're not. You know, like they did with Marco and Frankie *(above)*.

THE vile Katie Hopkins also took to Twitter – this time to slag off Peaches Geldof after it was revealed she had died due to a drug overdose.

What a classy lady Katie is.

I really pity her own children who have to be dragged up by such an attention-seeking, twisted bitch.

Katie tweeted: "Let's turn the tables. If it was me that took an overdose whilst caring for my 11 month old, would I be a fallen angel too?"

No, love. If you died of an overdose, people would be dancing in the street like they did when Maggie Thatcher popped her clogs! Vulgar.

Bomber's gruds were 'too filthy to explode'

THE notorious underwear bomber's plot in 2009 to blow up a plane on Christmas Day failed because his gruds were too FILTHY!

Nigerian Umar Farouk Abdulmutallab was on a suicide mission when he attempted to detonate a bomb in his Y-fronts as the plane, en route from Amsterdam, approached Detroit.

The bomb however failed to detonate aboard the flight, which was carrying nearly 300 people, but caused a brief fire that burnt his bollocks.

He was sentenced to life without parole in February 2012 after he pleaded guilty to all charges on the second day of his trial the previous October.

The head of the Transportation Security Administration said this week the bomb failed to detonate because of how long Abdulmutallab had worn his underwear.

John Pistole said: "The bomber had had the device with him for over two weeks," and when asked whether the bomb had become 'damp', he replied: "Let's say it was degraded."

Cafe serves up Reich pudding

A NAZI-themed cafe forced to close last year has re-opened featuring even more Third Reich memorabilia than before.

The SoldatenKaffee in Bandung, Indonesia, was launched in June 2011 but was forced out of business after media coverage of its walls decorated with pictures of Hitler and other Nazis.

But the eatery has once again opened its doors and now features waiters dressed as SS soldiers and crockery emblazoned with swastikas.

Owner Henry Mulyana said: "The SoldatenKaffee is not a Nazi cafe. The theme is World War Two."

JIM'S BEHIND BARS, SO HE IS

JUST when *Coronation Street*'s Peter Barlow thinks he can sink no further, he only goes and bumps into Weatherfield legend Jim McDonald behind bars – and Jim's running the jailhouse bar!

Weatherfield's two most notorious hellraisers find themselves catching up when chronic alcoholic Peter – inside accused of murdering Rovers Return barmaid Tina McIntyre – seeks out a mysterious con known as "The Landlord" who sells grog to inmates.

Peter, played by Chris Gascoyne, pays him a visit and is shocked to discover the booze vendor is none other than Jim "So He Is" McDonald, played by Charles Lawson.

The pair will be seen together on screen on Friday, August 8 – and it isn't going to be pretty.

A Street source said: "Both men like a drink, an argument and a fight, so putting the pair of them together with a load of ale is bound to lead to trouble.

"It's unlikely to be an exchange about the success they've enjoyed with the 12-step programme, let's put it that way."

KA-BOOMY! What was left of the Hamas building after al-Ahdal made his fatal error

SUICIDE BOMBER FAILS JOB INTERVEW

A WOULD-BE suicide bomber was so over-excited at the prospect of becoming a martyr he blew himself up at his JOB INTERVIEW!

By BRAD CHADWICK
news@sundaysport.co.uk

British-born Muhammad al-Ahdal took the decision to die for his faith when he heard that Hamas had taken to using donkeys as suicide bombers in Gaza.

The animal-loving 32-year-old was apparently outraged at the idea of murder mules being sent into battle and so travelled to Gaza via Turkey to volunteer his services.

He soon made contact with local Hamas activists who were keen to exploit the publicity value of foreign fighters flocking to the Palestinian flag.

To prove that he was not a timewaster, al-Ahdal arrived at a meeting with Hamas bigwigs in Gaza City wearing a homemade explosives belt. And the over-excited college dropout accidentally pulled the trigger while he enthused about a worldwide Islamic caliphate, blowing himself and three interviewers to smithereens.

The horrifying episode was captured by Israeli security services who had the apartment under surveillance.

Nutter

Clips of the incident leaked onto the internet last week.

A source said: "On the surveillance video the young British man turns up ranting and raving 'Jihad this' and 'Jihad that'.

"Then he starts banging on about saving the donkeys and saying he would shed his blood to spare the animals.

BACK IN A MO: But the British martyr didn't make the second interview

"The terrorists realise early on that they've got a nutter on their hands and try to tell him the fundamentalist version of 'We'll be in touch'.

"But this lad bangs on and on about spilling the blood of the infidel, holds open his coat to reveal he's wearing a suicide belt… then BOOM!

"The whole f**king place goes up like a cat's arse on Bonfire Night!"

Sunday Sport has learned that al-Ahdal was born Steve Jones in Birmingham and became radicalised after a girl at a local McDonalds he had been wooing turned out to be a lesbian.

A spokesman for Hamas said: "This case has highlighted some flaws in our health and safety procedures that, going forward, we will address.

"Our thoughts and prayers are with the dead martyr's family at this obviously difficult time."

Tight tops keep juicy Gemma fit

HOLLYOAKS hottie Gemma Merna has revealed that her skimpy wardrobe is all the motivation she needs to maintain her slender curves.

The busty actress reckons she is forced to stay in good shape because her character Carmel McQueen wears the "tightest outfits ever"!

The 29-year-old, who boasts cracking 30F boobs, says that because her sizzling soap alter ego is always squeezing into skin-tight dresses she can't afford to miss a gym session.

She explained: "I have a go-to diet, yes. It's perfect if you have an event you want to be in shape for – or, in my case, playing Carmel, who wears the tightest outfits ever!"

But the blonde beauty admits that she is still partial to the occasional curry – even though she usually has to stick to a healthy diet of vegetables and protein.

She explained: "I have a balanced lunch and dinner.

"But I'll have a takeaway night when I want to treat myself and a chocolate bar once or twice a week."

Todger tugging pervert's jailed

A JOGGER was caged after tugging himself off in his lycra, a court heard.

Luke Malarz, 35, pulled down his spandex to show off his bum to a pair of schoolgirls.

He then pulled out his todger and started having a wank in the street at Cwmbran, near Newport, South Wales.

Malarz, who timed his run to coincide with the end of the school day, was found guilty of sexual activity in the presence of a child following a trial.

The married pervert, from Newport, was sentenced to three years in prison.

COVER GIRL

By JUSTIN DUNN
justin@sundaysport.co.uk

CURVY Kelly Andrews has had nothing but BALLS on her mind for the last couple of weeks!

But then so would you if your home town was Hoylake on the Wirral – home of The Royal Liverpool golf club which hosted the recent Open Golf Championship.

Our *Sunday Sport* cover girl, 22, who gave up a law degree to model full time after sending snaps of her 30GG boobs to an agent, said: "It was lovely to see my home town in the spotlight again.

"There were thousands and thousands of visitors to the area and hopefully lots of them will keep coming back – even when the golf's not on.

"I might even be interested in showing some of them the sights!"

Please form an orderly queue, fellas!

KELLY LOVES A HOLE IN ONE!

Drunk dies as he tries to swallow huge steak

PISSED hairdresser Alan Lobban, 61, choked to death when he tried to swallow a large piece of steak weighing an ounce and a half during a pub meal, an inquest heard.

His drunken state and his poor teeth, which prevented him chewing properly, led to the tragedy, the coroner concluded.

Lobain's partner Glenys Ashmead said they had gone for a meal together at the Fountain Inn in Gloucester where, she said: "Alan had 2-3 mouthfuls of food. He then started vomiting. After he vomited he just keeled over."

Paramedics arrived and Mr Lobban was taken to an ambulance but pronounced dead.

Scotsman Mr Lobban was three times the drink drive limit, the coroner said.

The pathologist said he found a large piece of steak impacted into Mr Lobban's pharynx.

Verdict: Accident.

Bestial neighbour makes Rover return

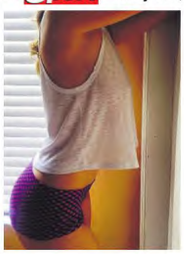
A MAN was caught on CCTV having sex with his neighbour's dog – for the SECOND time.

Melvin Parley Pace, 65, was first caught on security camera scuttling the kangal – a large Turkish breed – back in December last year.

He was charged with two counts each of bestiality, lewdness and criminal trespass at the time. But in a plea deal he received a suspended jail term for one count of lewdness.

But the lure of the dog proved too much and last week cameras once more caught Pace shamefully having sex with the three-year-old mutt in American Fork, Utah.

He was remanded in custody and will appear for trial on Tuesday.



Jeanette tells fans: W**k over my arse!

KIDS TV star Jennette McCurdy has uploaded a pic of her ARSE to Instagram and encouraged fans to WANK over it!

The actress, 22, is famous for playing Sam Puckett in children's sitcom *iCarly*, which ran from 2007 to 2012.

But she's all grown up now after uploading a steamy snap to social media, telling fans to FAP over her BOOTY.

Jennette posted the raunchy pic, showing her in purple pants, captioned: "#nofilter #datass #fapfapfap #eww #boysaregross"

Fans were quick to comment on the pic, with many saying they would happily oblige her wish.

One commenter said: "I don't mind if I do, I've got tissues right here."

BB virgin: My webcam pics aren't sexual

BIG Brother 'virgin' Danielle McMahon has finally spoken out about the raunchy "topless" snaps that appear to prove she once worked as a WEBCAM model.

The busty brunette, who says her strict Catholic beliefs mean she won't have sex until marriage, was featured on a Channel 5 documentary called *Webcam Girls: At Your Service*.

But sizzling screen grabs have emerged which show dishy Danielle stripping to her underwear and almost exposing her 32E boobs (*below*).

Danielle still insists there was "nothing sexual" about the nature of her steamy webcam sessions and that she kept her clothes ON at all times.

And the 25-year-old, from Glasgow – who was booted from the

Big Brother house last Friday – says she has NO IDEA where the images came from.

She said: "I've not seen these pictures, but maybe it is something private that leaked out.

"I am still a virgin! Modelling and being a webcam girl, it's just what I'm paid to do.

"But my career and personal life are completely separate."

Shit hits fan in back yard row

A HOUSEHOLDER who remonstrated with a woman SHITTING in her back yard was pelted with POO by the trespassing turder.

Crystal King, 35, has spent months suffering motorists from a nearby highway pulling over, leaping over a boundary fence and relieving themselves in her yard.

Things came to a head when one lady driver pulled down her pants and began curling off a DUMP, while shocked Crystal watched from her kitchen window in Stahlstown, Pennsylvania.

But when she went out to protest, the crafty crapper picked up one of her newly-laid stools and hurled it at the mum-of-one.

Crystal said: "That done gonna be the darned filthiest things I ever done seen, as the sweet Lord be my witness."

Police have promised extra patrols in the area.

THE DIRTY BASTARD'S SHAGGING OUR KATY'S SPACEHOPPER

SUNDAY Sport EXCLUSIVE

ODDBALL: Brendan Green faces jail term

SHOCKED: Graham banned Katy from the toy after Green's antics

Dad's fury at perv's bouncy-toy outrage

By SIMON DEAN
simon@sundaysport.co.uk

THERE are many back garden scenes that would dismay the average householder peering out of his kitchen window.

Torrential rain falling on freshly-pegged washing. A dog emptying its bowels into a paddling pool. A sparrowhawk feasting on a much-loved pet rodent.

But what dad Graham Hines saw sickened him to his kidneys… a neighbour having sexual relations with his daughter's SPACEHOPPER!

Graham said last night: "It was about nine on a Sunday morning and to be honest, I'd had a few shandies the night before.

"So it took a couple of seconds for my brain to compute what was going on. Brendan from next door was KNEELING on the grass in front of our Katy's spacehopper. I realised he was NAKED from the waist down and he was trying to f**k it!

"He was trying to f**k our Katy's spacehopper – the dirty BASTARD!"

The perverted interloper paid no heed to Graham's furious banging on the window, so the outraged 43-year-old raced for his back door to confront the oddball.

Dirty

Graham said: "It took a while to find the key and I was shaking with fury. When I finally got into the back garden, the dirty twat was trying to put one of the hopper's handles up his arse!

"I yelled, 'F**k off out of it, you dirty c**t!' He leapt to his feet, pulled up his kecks and jumped over the fence. He was into his back door like a rat up a drainpipe – and he wouldn't come out."

Returning to his own house in Crawley, West Sussex, Graham called police and described what had happened to a stunned 999 operator.

He said: "I was not entirely sure what law Brendan had broken – but I was sure what he did was illegal. They said the police were on their way and while we waited I told our Katy she was not to play on that spacehopper."

The neighbour, 35-year-old Brendan Green, was arrested and last week pleaded guilty to outraging public decency.

He was remanded in custody and will be sentenced in two weeks.

In court, Green – who has other convictions for inappropriate behaviour dating back 15 years – gave no explanation for his bizarre behaviour.

Graham said: "We had no idea he was a pervert. He always seemed so ordinary."

AS WANNABE FLESH BRITAIN'S

DAVID HARKER

PSYCHO David Harker murdered mum-of-four Julie Paterson after meeting her in a pub and going back to his home for a one-night stand.

While they were having sex at his bedsit in Darlington, Co Durham, Harker – then just 24 – strangled Julie with her own tights.

Then he had sex with the corpse before wiping it down with bleach and sawing off the head and limbs.

After his arrest he told psychiatrists he had cut off part of his 32-year-old victim's thigh, fried it and eaten it with pasta and a cheese sauce. He dumped her torso in a binliner on wasteland a mile from his bedsit but Julie's head and limbs have never been found.

Harker was arrested after one of the 28 people he'd been boasting to about the killing realised that he was telling the truth, and contacted police.

They found bloodstains and some of Julie's clothing in the basement where he lived.

Six-foot five-inch Harker, who has the words "sub human" and "disorder" tattooed on either side of his head, pleaded guilty to manslaughter through diminished responsibility in 1999.

He was jailed for life with a minimum 14 years.

SICK PLAN: Evil Bolinger boasted of eating tot

PETER BRYAN

MADMAN Peter Bryan had already killed a woman in a hammer attack when he was released to kill again.

After pleading guilty to manslaughter on grounds of diminished responsibility, he spent eight years at Rampton hospital but was eventually allowed back into societ – then he attacked and killed Brian Cherry in February 2004.

The victim had been dismembered and officers found a frying pan on the stove with tissue from the dead man's brain.

Bryan told officers: "I ate his brains with butter. It was really nice."

Bryan was admitted to Broadmoor hospital, only to smash fellow patient Richard Loudwell's head on the floor and tie a ligature around his neck. He told guards that he'd been intending to eat the man's flesh if he hadn't been stopped sooner.

Loudwell, 60, never recovered and died later in hospital.

ANTHONY MORLEY

CHEF Anthony Morley savagely stabbed his boyfriend to death and then cooked a portion of his flesh with fresh herbs and olive oil.

The former Mr Gay UK slashed 33-year-old Damien Oldfield's throat before stabbing him multiple times and cutting sections of flesh from his body.

He then staggered into a kebab house at 2am drenched in blood, and asked staff to call the police.

Sentencing the killer to life with a minimum of 30 years at Leeds Crown Court in 2008, Judge James Stewart QC said the case was "one of the most gruesome murders" he had ever encountered.

He told Morley: "Not only did you murder your victim by cutting his throat and stabbing him but you cut him up, cooked him and ate part of him. It came out during the trial that Morley had met Damien in 1996 after both appeared on the TV show *God's Gift*.

Perverts Jimmy Savile and Stuart Hall did voiceovers on the show.

EATER FACES JAIL, WE PROFILE...

REAL CANNIBALS!

A NURSE who tried to meet up with a young girl so he could kill and EAT her has been found guilty of sexual grooming.

Dale Bolinger, 57, promised he'd BEHEAD the 14-year-old called Eva and the COOK and eat her remains.

He arranged to meet Eva, a Mexican living in Germany, at Ashford International train station, sending her a message the day before saying: "I'll eat everything from your feet to your face. You'll be completely consumed."

Eva did not show up and Bolinger was arrested in February last year following an FBI tip-off. This month he was found guilty at Canterbury Crown Court. Police also found messages by Bolinger posted on the Dark Fetish Network in which he boasted that he had killed and eaten both a 39-year-old woman and a girl of five.

By JUSTIN DUNN
justin@sundaysport.co.uk

Of eating the five-year-old he told the sick site: "Tried her alive but not great, could only taste the blood so I snapped her neck and cut her up and ate her over about three weeks."

Bolinger insists his behaviour was purely fantasy but as you'll see here, there have been some chilling cases of real-life British cannibals...

GEOFFREY PORTWAY

WOULD-BE cannibal Geoffrey Portway planned to rape, murder and eat children in a torture dungeon beneath his home.

Police found his basement equipped with a steel cage and a child-sized home-made coffin.

Detectives said Portway (*right*) used programmes such as Skype to communicate with American paedophile Michael Arnett over several months, asking him for help with the kidnap and setting out his preferred age range.

Butchering

During their web chats, Brit-born Portway bragged of his intention to lock children in his basement and referred to scalpels, butchering kits, freezers and castration tools.

Detectives also found material showing that the men had shared child pornography and images of injured, mutilated and dead children.

Last summer Portway was jailed for 27 years in Worcester, Massachusetts, after pleading guilty to soliciting the kidnap of a child and distribution and possession of child pornography.

When he has served his sentenced he will be deported back to the UK.

MARK HOBSON

CRAZED binman Mark Hobson murdered his girlfriend with 17 hammer blows to the head before luring her twin sister to a similar fate.

The cocaine-snorting alcoholic first battered Claire Sanderson and then days later persuaded sister Diane to visit his flat in Camblesforth, North Yorkshire in 2004.

When Diane arrived Hobson – who claimed to drink 36 pints of lager a DAY – violently sexually assaulted her and then suffocated her to death.

Hobson tore and ate pieces of her flesh, mainly from her breasts, and then while he was on the run murdered a couple in their 80s after breaking into their home to steal money.

Prosecutor Paul Worsley told Leeds Crown Court: "Some months earlier he had made a comment that he had picked the wrong sister and told a fellow refuse collector that he was going to have Diane. That threat came true."

Hobson pleaded guilty to the four murders, although he insisted he had recollection of breaking into the pensioners' home and killing them.

The elderly couple had been married for 61 years and were housebound.

Mr Worsley said the couple's GP had said that someone would only have had to hit the couple "with a feather" to knock them over.

STEPHEN GRIFFITHS

CROSSBOW AND KILLER: Griffiths (*above*) and his weapon of choice

WHEN Stephen Griffiths appeared in court accused of the murder of three sex workers in Bradford and was asked to give his name, he replied: "The Crossbow Killer."

In 2009 the PhD student – who'd been studying homicides and reading books on dismemberment – he had picked up a crossbow and turned on his neighborhood's prostitutes.

He killed three women and dismembered them in his bathtub.

He dumped the chopped-up bodies in the river Aire – except for the bits he ate cooked or raw.

Griffith was convicted of all three murders in 2010 and sentenced to a whole life tariff, meaning he will die in prison.

PART-EATEN: Griffiths threw away bits of his victims he didn't eat

It's not a closet gay thing...these girls are not interested in guys who fancy guys but real men looking for sexy women. The fact that their c*** could be bigger than yours is neither here nor there! But kinda exciting, all the same...

We have access to genuine UK T-girls looking for text chat and we'll put you in touch with one today. This is a 100% discrete service so no-one will ever know you've been enjoying text sex sessions, let alone sessions with a babe with perfect little tits as well as a stiff little dick! HEY, LORRAINE ... WE SAW HER FIRST!

BREAST IN SHOW: Charlotte showed off her curves in Sunday Sport

BIKINI THRILL: Charlotte on Lorraine's show

Winner of telly host's model hunt is a Sunday Sport stunna

OCH aye the BOOBS – because the sexy winner of a Lorraine Kelly modelling competition boasts a sensational TOPLESS secret, we can exclusively reveal.

Back in March this year, Scots presenter Lorraine announced plans to find the next face of Curvy Kate swimwear on her ITV breakfast show.

With help from competition judge Sarah Harding, Lorraine sifted through thousands of entries from curvy cuties.

It was blonde Charlotte Joines who caught her eye, and she'll now be modelling the skimpy beach garments in a series of saucy photoshoots that celebrate all-natural women.

And you can't fault Lorraine, 54, for going gaga for Charlotte's curves – we did the same when she came to *Sunday Sport* begging to show off her 32D breasts! Portsmouth pin-up Charlotte, 32, admits this is her second attempt at a modelling career – though she appears to be keeping schtum about her nude past.

She told telly viewers: "I'm a size 12 now and the most happy and confident I've ever been. Curvy Kate makes me feel like it doesn't matter what size you are as long as you're happy.

By NEIL GOODWIN
neil@sundaysport.co.uk

Flaunt

Curvy Kate's Hannah Houston added: "We champion a positive body image and diversity.

"Lorraine's competition is fantastic as there are no age, size or height limits which means anyone can enter. We produce swimwear for a feel-good figure and we want to see you flaunt it!"

Bin the Scots and we'll live longer!

PEOPLE in England, Wales and Northern Ireland will LIVE LONGER if Scotland decides to vote for independence.

Boffins have calculated a whole range of ways in which the UK would be changed forever by the departure of the Scots.

And the most dramatic effect is the way in which those of us who are left will enjoy longer lives.

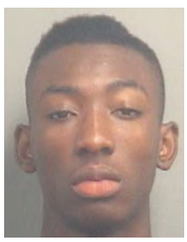
Current UK figures show that men can expect to reach 78.7 years and women 82.6 years.

But if Scotland left the effect would be a small statistical shift, with men gaining a potential extra 0.4 years (4.8 months) and women 0.3 years (3.6 months).

One London-based Scotland expert said: "I can't really explain why we'll live longer without the Scots. Perhaps their constant bellyaching winds us up so much it takes weeks off our lives."

People in Scotland will have a vote on the dismantling of the United Kingdom on September 18.

England, Wales and Northern Ireland will not be allowed to have any say in the decision.



Escort stick-up goes down badly

A SCHOOLBOY attempted to rob a prostitute he had hired for the day – by threatening her with a BB gun!

Marvin Elijah McHellen, 18, contacted the victim after seeing an advert she'd posted on a local personals website.

The pair exchanged calls and text messages then arranged to meet at a hotel for a one-on-one sex session.

Shortly after arriving, McHellen took out his realistic-looking BB gun and allegedly demanded money, according to the arrest report.

The woman screamed and he fled the hotel room without taking anything.

The high school student from Palm Beach County, Florida, faces charges of robbery with a firearm.

PINKY WINKY

A PERVERT who waved his willy at two women in Bicester, Oxon, was wearing a luminous PINK polo top, cops say.

LSD tripper caught nude on motorway

A MAN caught running NAKED along a motorway told police he had taken a dose of hallucinogenic drug LSD before the incident.

Cops were called to reports of a nut weaving in and out of speeding traffic on the busy highway.

When it appeared the 22-year-old may have been preparing to jump from an overpass, police used a taser to subdue him.

He was taken into custody and provided treatment after being hauled off the I-43 highway near Green Bay, Wisconsin.

Lt. Jeff Brester of the Green Bay Police Dept said: "There were no accidents, just everyone on the highway was calling it in worried about him getting hit.

"The suspect said he had taken LSD. Man, that must have been some good shit going down!"

THE MILL GIRLS GET THEIR BOBBINS OUT!

THREADSBARE: Mill girls strip

By JUSTIN DUNN
justin@sundaysport.co.uk

WHERE there's muck, there's ...ASS!

And actress Vicky Binns – starring in *The Mill* on Channel 4 tonight – showed that aplenty when appearing in a racy mini-series back in 2000.

Former *Corrie* and *Emmerdale* star Vicky, 32, who plays worker Anne-Marie in the drama-documentary about life in a Cheshire mill in the 1830s, was just 18 when she went naked in *Nature Boy*.

And she's not alone among the Quarry Bank Mill cast to strip for the cameras – veteran actress Barbara Marten, 67, went naked in *Fat Friends* in 2000.

And Holly Lucas peeled off for a naughty bondage scene in the 2011 flick *Little Deaths* – which is what the French call an orgasm.

One production aide said: "They're all great ladies to have on set."

DEANO ON SUNDAY

WHEN the West tells Vladimir Putin it is a stupid and reckless idea to give sophisticated anti-aircraft weaponry to idiot bandits, he should take note. Because we know what we're talking about.

After all, the West gave billions of dollars' worth of anti-aircraft missiles to the Mujahedeen in Afghanistan during the war with the Soviet Union.

And when the Russians left, the Mujahedeen started shooting those weapons at us.

So, Vlad, rule of thumb: missiles + fired-up halfwits = Bad Idea.

Shall we all remember that in future, eh?

New seatbelt design: 45% less car accidents!!

CAMPAIGN groups are furious about a 'sexist' cartoon posted on a police Twitter account which shows a man gagging his wife with a seatbelt.

The tweet, which shows a female car passenger gagged and bound to her chair as a male driver looks on, was uploaded by a serving cop.

Above the cartoon a banner read: 'New Seatbelt design: 45% less car accidents!!'

West Midlands Police has now released a full statement apologising for 'any offence caused by this inappropriate use of one of our accounts'.

The officer in question is also being investigated by the force's Professional Standards Department.

Chief executive of national domestic violence charity Refuge, Sandra Horley CBE, criticised the force's 'derogatory attitudes to women'.

Sandra, love, whatever you got your CBE for, it wasn't common sense.

It. Was. A. Joke.

Just because someone does valuable work helping battered women does not mean they do not sometimes talk utter tripe.

IT'S been pointed out that if Britain tightens sanctions on Russia, the Russians in London may pull out their money and stop spending many millions of pounds on vast houses in Kensington.

This would lose high-end estate agents called Tarquin and Toby a lot of money.

Can't think of a better reason to slap on them sanctions right away.

Keep the backward bigots out of Britain

OH, the delicious irony!

For years we have been told that we must celebrate "difference and diversity", that we should embrace minarets on our skylines and revel in the fact that all creeds and cultures find a home in vibrant, multicultural Britain.

Only the powers-that-be forgot something. Many of the creeds and cultures we welcome to Britain have a less-enlightened view of difference and diversity.

Take the so-called "Trojan Horse" inquiry in the Birmingham area.

British schools, funded by British taxpayers, are being turned into half-arsed versions of the madrassas which so successfully churn out generations of terrorists in Pakistan.

Principles that we sort of accept in Britain, like equality of women and acceptance of other people's religious beliefs or sexuality, are derided as satanic.

What's more, this poisonous, medieval filth is being pumped straight into youngsters' minds – and WE'RE paying for it!

Last week, the new Education Secretary Nicky Morgan told the Commons: "Teachers have said they fear children are learning to be intolerant of difference and diversity. Instead of enjoying a broadening and enriching experience in school, young people are having their horizons narrowed and are being denied the opportunity to flourish in a modern multicultural Britain."

Almost right, pet.

Only it's "modern multicultural Britain" that has caused this problem. Some of the cultures in multicultural Britain are diametrically opposed to diversity.

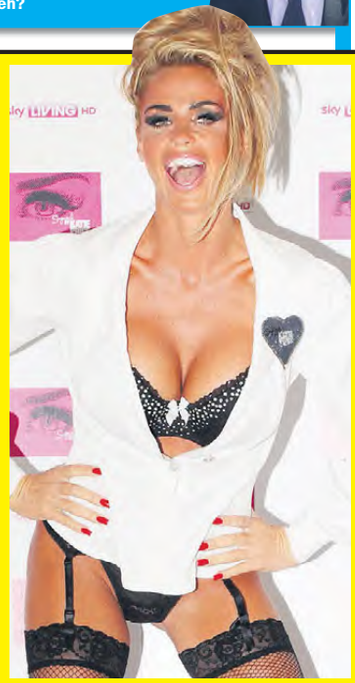
But we have been ordered – on pain of criminal prosecution – to accept that all cultures are equally welcome in Britain.

Mutilated

Even when those cultures include "witch doctors" beating children to death, women being denied an education, little girls having their private parts mutilated or gay people being stoned to death.

*Well f**k off!*

I for one won't accept that. And I'm buggered if I'll stay silent while great lumps of Britain turn into dull-witted, backward theocracies.



KATIE Price has announced she is to have a butterfly tattooed on her inner thighs so when she opens her legs, fellas would be treated to a view of a colourful insect opening its wings.

Would a kipper that's been bashed about by half the Z-list celebrities in Christendom not be a more appropriate image?

HOOKER HAS ORGY IN BRANSON'S TOILET!

SUNDAY Sport EXCLUSIVE

Kat gets shunted by three punters in train crapper

By NEIL GOODWIN neil@sundaysport.co.uk

RAILY NAUGHTY: Richard Branson would be shocked to learn what Kat got up to in one of his trains

HIGH class escort Kat Lee was coming like a freight train last week after enjoying a kinky FOURSOME in a Virgin Rail carriage.

Kinky hooker Kat charges £800 a night for no-holes-barred sex, operating out of a swanky apartment in Salford.

But she's also the first UK call girl to do a roaring trade ticketing punters on Richard Branson's Virgin service between Manchester and London Euston.

And now Sunderland-born Kat, 28, says she was hired to shag THREE male pals, who took it in turns to give her a FARE old scuttling in the bog.

Busty 34F Kat explained: "I'm getting more and more bookings from train passengers. Some are just bored businessmen on their way home from meetings, but others are after something a bit more kinky.

Bum

"Last week a group of three lads from the North West booked me for a little orgy actually on the train.

"They were on their way to a stag do in Brighton and wanted to get the stag's party off to a real flyer.

"It was a bit cramped in the toilet, and I was nervous about being on my knees giving group blowjobs in case my bum accidentally hit the 'open door' button. But I left the lads satisfied.

"My goods are far more tasty than anything for sale in the buffet cart!"

She added: "Naturally, I keep a low profile when I'm getting on the train. The staff have no idea what I'm up to."

On her escorting website Kat describes her insatiable appetite for cock.

She unashamedly writes: "Cum give me a good seeing to, fill all my holes with your cock, and bang my ass hardcore like the porn star I am."

NEWSNIGHT MAN'S WILLY SPARKS TERROR ALERT

WORLD NEWS

INDIA

ARMED bandits are threatening to kill hundreds of villagers unless they deliver 35 buckets of water each day to the outlaws in their rural hideout.

Since the threats were delivered last week, 28 villages have been obeying the order – taking turns handing over what the gunmen are calling a daily "water tax," in Uttar Pradesh state.

A BUS driver was sacked after video footage showed him immersed in a book while travelling at up to 60mph on a busy street in Istanbul.

In the clip, filmed by a passenger, the burly bearded driver holds his novel open over his steering wheel on the Asian side of the city.

SWEDEN

A POLITICIAN who took part in a topless protest against Prime Minister Fredrik Reinfeldt has been ousted from her party's list of candidates.

Jenny Wenhammer, of the Green Party (Miljöpartiet), tried to gatecrash the PM's speech, and although she did not go topless herself she was still axed by the Greens.

Evan's genital ironware 'may need review'

BBC security bosses have been sent into a flap by the new *Newsnight* presenter's metallically-adorned COCK!

Guards protecting the Corporation's new £1billion headquarters in central London fear Evan Davis' COCK RING could play havoc with sophisticated scanning devices.

The Beeb veteran was announced as Jeremy Paxman's replacement on BBC2's flagship news programme last week.

By SIMON DEAN
simon@sundaysport.co.uk

And while Paxo was famed in broadcasting circles for having an extraordinarily HUGE penis, Davis is better known for having a piercing through his BELLEND.

The piercing has been the subject of BBC sniggers for years – but this is the first time it has been seen as a security risk.

A BBC source said: "We have a lot of high profile national and international politicians coming onto the programme and security reflects that.

"We're looking at the prospect of the main *Newsnight* presenter's metal cock ring setting off metal detectors left, right and centre.

"God knows what will happen if he ever has to interview the President of the United States.

"The Secret Service would shit kittens!"

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

MANY happy returns to Prince George, heir to the throne and possibly the most famous baby in the land, who celebrated his first birthday last week.

Have you seen the state of his fking face though? Just a year old and he's already perfected that "f**k the poor" sneer that marks him out from the plebs.**

It's in almost every photo of him that exists.

I know he can't speak much yet but you can tell he's thinking "someone have those peasants over there electrocuted for my pleasure" or "why has no-one bought me a small African nation for my birthday? I want to own some elephants!"

Actually I'm surprised they haven't locked him in the Tower and had him replaced with another baby who doesn't look like a stuck-up little shithouse.

THE heatwave continues, but I've heard a few people complaining it's TOO hot.

These arseholes should be put on a plane and sent to Siberia until they're ready to crawl back to England and apologise.

We're only a few months away from cars skidding down the streets into lamp posts, motorways blocked with blizzards and pensioners freezing to death because they can't afford their leccy bills.

If you complain about the heat, you should be tied to a rocket and fired into the heart of the sun. C**ts.

THE internet was abuzz with lust as the trailer for the *Fifty Shades of Grey* movie was released.

Seriously? A film about some businessman who's into a bit of rough sex and corporal punishment? Is this what people are into?

In case you didn't know, the internet is also abuzz with every type of porn imaginable.

Men, women, threesomes, foursomes, orgies, people dressed as animals, midgets, people pretending to be dead, people having it off in baths filled with goose fat and Terry Wogan lookalikes.

***Fifty Shades of F**k Off!* more like.**

I NOTE that telly MILF Carol Vorderman won the Rear Of The Year award last week – for the second time.

Well, I say "note", but I mean "wanked furiously".

SAVILE WASHED HIS DICK IN THE KITCHEN SINK

Newsman watched as meganonce rinsed bellend over dirty dishes

DISGRACED meganonce Jimmy Savile had sex with a teenage girl during an interview with a trainee reporter – before washing his smelly knob in the sink.

Horrified journo Alan Leeke watched in disgust as the vile kiddy-fiddler cut short their meeting to interfere with the teen in his cramped apartment, it's revealed in a new book on the monster *In Plain Sight* by Dan Davies.

The BBC creep then emerged from his dingy bedroom minutes later and invited the young newsman to watch him clean his bellend in the kitchen and dab it with a dishcloth.

Leeke, then a junior staffer for a local Manchester newspaper, made two chilling visits to Savile's Salford lair in the mid-1960s after being commissioned to write a story about the *Top of the Pops* presenter's vast car collection. But the blonde-haired deviant instead seized the perfect opportunity to parade his perversions in front of the press confident they would do NOTHING to stop him.

Leeke said: "Savile was in his tracksuit, the curtains were closed. Soon after arriving, a young teenage girl showed up. She was 16-ish and was wearing a miniskirt.

"She went straight into his bedroom and Savile followed her. He said to me, 'I'll be back shortly'."

Before long, the Leeds beast finished up. "Then he came out of the bedroom and shouted to me, 'Are you still there?' I said 'Yes', and stood up and went into the corridor where the other room was.

"I was stood in the corridor and could see straight into the kitchen. And that's when he proceeded to wash himself off in the kitchen sink."

Alan got to know several of the girls the shamed DJ had sexual relationships with. They were all aged between 16 and 17, and each said the sex was quick, and took place in his car or in his flat.

He recalled: "One or two girls told me washing himself off was something he did after sex. But the more I think about it now, I wonder whether that was all set up, what with me being a member of the press. Just to show that he could do that."

This comes amid revelations the Leeds beast was the owner of a particularly SMELLY cock that made women RETCH when he forced them to perform oral sex.

A former student at Duncroft Approved School in Staines said Savile would offer her cigarettes and trips to the BBC in exchange for BLOWJOBS.

But the scent of Jimmy's foul penis almost made the then 14-year-old sick. She gagged and Savile "leaned across and flung open the car door, saying 'Not in the car. Not in the car'."

Another victim, a 12-year-old patient at Stoke Mandeville, was raped by Savile during his tenure as hospital porter.

Speaking of the 1977 attack, she said: "I recall that his penis had a distasteful smell."

VILE: Sick Jimmy Savile washed his privates in the sink after sex, Dan Davies reveals in his new book

King: Show support for perv

POP paedo Jonathan King has called for fans of corpse shagger Jimmy Saville to hold a RALLY in support of the evil nonce.

The kiddy-fiddling svengali, who was locked up for molesting teenage boys, wants supporters of the *Top of the Pops* sex beast to go on a ghoulish crusade to BBC HQ to honour his "terrific" chum.

Vile King's comments come just days after police stated they think disgraced DJ Savile may also be a child killer.

Officers have also claimed that the cigar-chomping creep may have also SODOMIZED corpses in a morgue.

On his online forum, in which he also airs his support for fellow deviant Stuart Hall, shamed music mogul King, 69, said: "I'd like to see a march on the BBC of all those who would like to swear that Jimmy was a terrific and decent friend in their time of most need." Ex-TV presenter King (*above*) was sentenced to seven years in prison in 2001 after being found guilty of committing sexual offences against five boys aged 14 and 15 during the 1980s. He was released on parole in 2005.

STUDENTS TALK SEX!

JOANNE McCOY

AGE: 20
FROM: Dundee
STUDYING: Counselling and Psychology
UNIVERSITY: University of Bolton
FAVE FOOD: Pizza or pasta
FAVE DRINK: Rum and ginger
FAVE FILM: *22 Jump Street*
FAVE ACTOR: Channing Tatum

LUCY PETERS

AGE: 20
FROM: Newport
STUDYING: Art and Design
UNIVERSITY: University of Bolton
FAVE FOOD: Any hot curry
FAVE DRINK: Bacardi and coke
FAVE FILM: *Edge Of Tomorrow*
FAVE ACTOR: Tom Cruise

FAVE POSITION

JOANNE: I love having sex with me on top, it's much better than doing it in any other position because I get to call the shots and set the pace of things.
LUCY: I prefer missionary because I get to look at my boyfriend's face while he's having sex with me and I find that a real turn-on.

WORST-EVER TIME

LUCY: I had a one-night stand with a guy I pulled in a bar and took back to my place. He climbed into bed and jumped straight on top of me – there was no foreplay at all.
JOANNE: Was he any good in bed?
LUCY: No, he had only just started when he shot his load. It was literally two seconds.
I couldn't wait to get rid of him.
JOANNE: My worst shag was on a one-night stand. I was 18 and did it with a guy I'd fancied for ages.
All the girls fancied him too and he used to strut around like he was so experienced.
LUCY: Was he a letdown?
JOANNE: He only lasted a few minutes and he didn't have a clue what to do. I was gutted.

GIRL-GIRL ACTION

LUCY: Ever done it with other girls?
JOANNE: The most I've ever done is kissed my mates when I've had one drink too many. It's more fun than anything else but it always gets you plenty of attention from guys.
LUCY: Are you ever tempted to take things further?
JOANNE: No, I don't really find girls that attractive. I must admit that they're generally good kissers though.
LUCY: I've kissed my friends on the lips but I've never snogged any of them. I'm definitely straight, and the thought of doing things with another girl turns my stomach a bit, to be honest.

ADULT TOYS

JOANNE: I've never used a sex toy but a lot of my other friends have been raving about them recently. So I'm really quite curious about getting one. Which would you recommend?
LUCY: I've got a Rampant Rabbit and I've had hours of pleasure from it.
It's better than other vibrators I've tried because its ears are so effective. I'd never try another now I've got that one.

OLDER GUYS

JOANNE: No, I prefer having sex with older men than most guys my own age. I've dated guys in their mid-thirties and they have given me the best sex of my life.
Have you been with an older guy?
LUCY: No, I've never found older guys that attractive, apart from Brad Pitt, maybe.
JOANNE: So you've never even fancied any of your lecturers?
LUCY: Well, when I was in sixth form my biology teacher was quite fit but he was only about 25 and I was far too shy to make a move on him.
I prefer sticking to lads about my own age – I imagine they're more energetic in bed than someone older.

OH-NO MOMENTS

JOANNE: Had any embarrassing moments during sex?
LUCY: Yes, the people in the flat below me once heard me and my boyfriend at it.
We were shagging for hours and I was screaming my head off with pleasure.
JOANNE: So, how do you know they heard you?
LUCY: They came up the next morning to tell me they'd had no sleep. My face went crimson. I wouldn't be surprised if people three streets away had heard me, with the noise I was making.
JOANNE: My flatmate once caught me on the job. We were in the doggy position on my bed when she walked in on us.
LUCY: What did you do?
JOANNE: Dived under the bed covers. She thought it was hilarious and took the mickey for weeks after that.

BUM FUN

LUCY: Do you do bum sex?
JOANNE: No, I don't think I'd like it so I'm not gong to try it.
Several of my friends have done it and they say that having done it once they'd never do it again.
LUCY: I'm not keen to try it. I know girls who have and they said it hurt.

WILLY SIZE

JOANNE: Do you prefer having a man with a big willy?
LUCY: Yes, my current boyfriend's Johnson is about seven inches long and I was very happy the first time I saw it.
I couldn't cope with having a small one again now.
JOANNE: Is he good in bed?
LUCY: He's got it all – a big willy and a good technique. A big one would be useless if they didn't know how to use it but it's a big plus when they do.
JOANNE: My ex had the biggest one I've seen. It was eight inches. When I first laid my eyes on it I was convinced it was going to hurt me.

"My ex had the biggest one I've ever seen. It was eight inches!"

LUCY: And did it?
JOANNE: Well, only at first but after a few moments I thought I was going to explode with pleasure. So for me, big willies are the best.

FIRST TIME

LUCY: Did you lose your virginity before you started university?
JOANNE: Yes, I was 17 when I slept with my boyfriend at the time. We'd been drinking cider and were both tipsy when it happened.
LUCY: Where did you do it?
JOANNE: In my bed. It was a bit of a disappointment for me because it only lasted a few minutes and I didn't have an orgasm.
I couldn't understand what all the fuss was about at the time.
LUCY: I was 17 on my first time as well. I dragged my fella into bed with me and we did it.
JOANNE: Did he last long?
LUCY: I have no idea, I was a bit squiffy after two glasses of wine and sadly I could hardly remember it the next morning.
It was a relief to get my first time out of the way though.

WILD SEX

JOANNE: You've got to try having sex in the great outdoors. I did it on the swings in our local park with my ex and it was amazing.
LUCY: Was it not hard to stay on them?
JOANNE: Yes, but that added to the fun. We did fall off a couple of times but just climbed back on.
LUCY: I had a lot of fun when I had sex with my boyfriend on the roof of his car.
We were drunk and were so horny we couldn't wait to get to his bedroom so climbed on to his car instead.
JOANNE: Were you not worried about being seen?
LUCY: No, but that was only because we were both a tiny bit drunk.

FANTASIES

LUCY: I've only got one fantasy and I haven't had the opportunity to live it out yet. It's having sex on a beach in a hot country somewhere exotic.
JOANNE: You should definitely do it – I did something similar last year in a swimming pool when I was on holiday with my boyfriend.
It was the wildest time ever!

FIRST TIME TOPLESS... SUNNY LEONE

SUNNY looks like a seasoned pro in front of the camera.

But believe it or not, this was the sexy brunette's first time without any clothes on for a glamour shoot!

And now she's done it once, Sunny is hooked – and wants to go much, MUCH further!

Strangers

The Bristol beauty said: "Obviously it feels a little strange when you first take your top off in a room full of strangers at a studio.

"But you know what? Once that split second is over it feels like the most natural thing in the world. I really enjoyed being told to pose this way and that.

"And seeing as I was already virtually naked it seemed a bit silly to leave my knickers on – so I kicked them off, too!

"I hope your readers like my shots because I'd love to do more glamour work now – and be a lot more adventurous too, like a girl-on-girl session maybe! What do you think?"

We think it's a big fat 'YES' to that one, Sunny!

TAKE A LOOK AT ZEM 30Gs

Veronika Zemanova

Age 30, 30G-24-36, from Chelsea

By JUSTIN DUNN
justin@sundaysport.co.uk

FETCH the eye-drops, gentlemen – your peepers are about to start stinging!

And so they should as they try to take in all of the 30G joys that grace the chest of Czech-born beauty Veronika Zemanova.

The brunette, 30, who now lives in swanky Chelsea, west London, is more than aware of the effect she has on blokes, too.

Attention

She said: "I love having big boobs because they look great squeezed into a tight top or dress. Men can't stop looking at them – you definitely get more attention!

"My breasts are very sensitive and I love it when guys play with them in the bedroom.

"And of course, your cleavage is a brilliant place to put a man's willy!"

Dear Charlotte,

I'M a 25-year-old woman with a big problem – I am obsessed with having sex in gents' public toilets.

I love going to the urinals and hanging about, looking at all the cocks.

A few times now I've been approached by men – and I've let them take me in both holes. I've also dished out my fair share of blowjobs and handjobs.

I have so much fun talking dirty with them, getting them to tell me about all their experiences with women, then letting them come all over my 34Ds

A couple of weeks ago I set a record. I sucked two blokes off in a cubicle while another took me from behind. Do you think I'm a pervert?

JK, Kent

Charlotte says...

NO, but I think your behaviour is risky. It's time to find a new obsession.

Dear Charlotte,

THERE'S nothing better than a bit of outdoor sex.

Last week me and the missus put on our hiking boots and headed off in to the country. We made a picnic that included sarnies, booze, a videocam and several sex toys.

After about half an hour's walk we were in the middle of nowhere, with just the birds for company.

We set the video up on a tripod and my missus stripped off her hiking gear until she was naked apart from her boots. Then she put on a very sexy show with a vibrator while I tossed myself off.

After about 10 minutes of this I lay her down on the grass and mounted her from behind. I rode her hard and she soon shuddered with orgasms.

Then I took my cock and brought myself off in her mouth. She let my spunk dribble down her chin.

We walked on a little further and came across a small hut where we had our sarnies.

My wife then started playing with my cock and pretty soon I was rock hard again. So I leant her up against the wall and let her have it again.

Then we heard a shotgun go off, followed by another. And it turned out we were f**King in the middle of a shooting hunt.

We ran naked all the way to the car but we forgot our camera in the rush. What should we do?

SS, Cheshire

Charlotte says...

CLAIM on your insurance and wait for the vid to appear on the internet!

Dear Charlotte,

MY wife and I are in our late 30s and once a week she dresses up in things that turn me on – a red, lacy bra with matching knickers and suspender belt, plus black stockings.

The other week she was hanging these items out on the washing line when she was spotted by three rowdy workmen putting a new roof on a neighbouring house.

They began wolfwhistling at her and saying she had "great tits" and one asked to see her in the saucy undies when they were dry.

She pretended not to hear but when she came back inside she was so horny that she pulled her panties off and asked me to shag her there and then over the kitchen sink.

Should I be worried?

TS, Newcastle

Charlotte says...

SO long as she's shagging you and not them, no.

DO YOU HAVE A SEX PROBLEM?

I'm left frustrated after shake shag!

Dear Charlotte,

I WORK at a fast food place and it was left to me recently to lock up at the end of the evening.

I'm usually pretty smelly by the end of the day so before heading home, to avoid going into a late shop, I decided to make myself a milkshake and sat down in the breakroom to drink it.

Realising there was no-one else in the building I got to thinking about a discussion we'd had at lunch when one of the young lads said the best wank he'd ever had was in a cup of milkshake.

I thought this was a good opportunity to try it out and pulled my seven-inch cock out of my work pants. I then got it erect and dipped it right down to the bottom of my strawberry shake and started knobbing it.

It felt great and my bits were soon covered in shake. By then I'd slipped my jeans and pants round my ankles and my cock was bulging.

I was so carried away that I hadn't noticed one of the girls from the office area had come back in and had been standing there watching me knob the shake.

I'd always thought she was a right cow and I'd never seen eye-to-eye with her.

So I was quite surprised when she told me to carry on, lifted her skirt and stuck her hand in her knickers to frig herself off.

Shaven

I felt a little bit uncomfortable but as soon as I saw her shaven gash I was beating myself off faster than ever. But when I'd finished and shot my load in the milky, pink gunk, she just dropped her skirt and walked off.

I really enjoyed my wank but now I'm desperate to shag this girl, who has said nothing about the incident since. The least she could do is to do a repeat and then suck the shake off my cock. What can I do?

JW, Hants

Charlotte says...

WELL, you've put me off of milkshakes for life! Why not offer to take this lass somewhere posh – like a restaurant?

Dear Charlotte,

ME and my mate are both 24 and we picked up this blonde girl in a club recently.

As soon as we walked in, I spotted her on the dancefloor getting up to some seriously dirty dancing with a girl pal.

We were over to the pair of them like a shot and they didn't seem too bothered as we started dancing with them.

And I could hardly believe my ears when the blonde leaned over and asked in a husky whisper if I fancied a f**k.

I dragged her off to the gents' bogs and as soon as I'd closed the cubicle door behind us she was tongueing me and rubbing my stiffening dick.

She nearly ripped half my pubes out as she eagerly undid my flies and started jerking off my mighty nine-incher.

She plonked herself down on the toilet seat lid and began licking and sucking my shaft from the tip to my aching balls.

Gobble

She was building up quite a rhythm and I was on the verge of coming down her throat when, all of a sudden, I heard my mate calling my name.

The blonde stopped giving me head to invite him to join us.

My pal was grinning from ear to ear when she began giving him a slow, lingering gobble.

As she slurped and slobbered on my mate's cock I pulled her G-string aside and plunged into her moist fanny doggy-style.

It wasn't long before me and my pal were shooting our loads in her holes as she squealed and wriggled in delight.

The problem is, I saw my mate's knob up close for the first time and it's a whopper. It makes mine look like a maggot.

What can I do.

FC, Glasgow

Charlotte says...

TRY not to worry as it sounds like you have a decent length yourself.

Dear Charlotte,

LAST week a game of strip poker at my mum's house got out of hand and I ended up having sex with a bloke who is at least three times my own age.

I got home from a club to find a party mum had been hosting had got a bit kinky, and all her pals were sat around in various stages of undress.

I don't know why but I found myself pretty turned-on by the sight, despite the fact the bodies were a bit on the wrinkly side.

I joined in and soon ended up naked. Then I started snogging this fella, and it went from there.

He told me that he likes well-built young blondes. I'm 20, with big tits and blonde hair.

He was a pal of my mum's and built like a horse, and I loved sucking his cock, but I can't tell my pals I've fallen for him because they'll all call him Grandad.

What can I do,?

Charlotte says...

ALAN'S finding that living with two sex-crazed nymphomaniacs is not all it's made out to be.

You may think that a life of wall-to-wall sex would be ideal but, to be honest, after the first few scuttles it tires one.

Alan no doubt wants to settle down and watch a bit of *Gardeners' World* but, oh no, his randy housemates want servicing at all hours.

Careful what you wish for, fellas – because you may just get it!

IS SIBERIA ABOUT TO BLOW UP?

Fears that blast will doom us all

By BRAD CHADWICK news@sundaysport.co.uk

THE entire region of Siberia is about to EXPLODE in a titanic blast that would blow the earth off its orbit around the sun!

Global warming is melting huge reserves of gas previously locked into the permafrost in soil below the vast Russian region.

There have already been two immense explosions in the Yamal area – leaving huge, water-filled craters in the tundra.

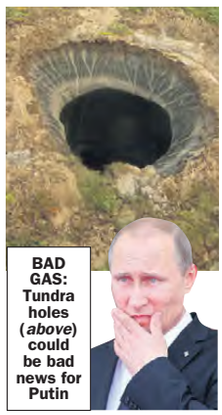
But boffins fear that the whole two-and-a-half MILLION square miles of Siberia could soon be blown off the planet.

And experts say any blast would make the nuclear explosion that flattened Hiroshima in 1945 look like a "baby gnat's fart".

A Subarctic Scientific Research Center expert said: "Global warming, causing an alarming melt in the ice, released a huge volume of gas.

"If that explodes, it will blow the region off the face of the planet and send earth spinning into interstellar space.

"No wonder Putin's not looking arsed about Ukraine – he has bigger problems on his plate!"



BAD GAS: Tundra holes (*above*) could be bad news for Putin

KAYLEIGH IS NAKED, NATURALLY!

EXHIBITIONIST Kayleigh Pearsons doesn't mind stripping off for the cameras - because she's so used to being NUDE!

The 27-year-old stunna donned a silver skirt and black gloves for our sizzling new photo-shoot, showing off her fantastic 34DD boobs for our slack-jawed snappa.

Natural

But when she's at home, the blonde says she prefers being completely NAKED!

Kayleigh, from Bewdley, Worcs, said: "I love to get nude in my house. It turns me on so much, and it feels so natural. Once I know I won't be disturbed, I peel off all my clothes and do normal household things while in the nude. Clothes can feel so restrictive. It's nice to feel truly uninhibited.

"It doesn't feel naughty, or dangerous and I don't really care if I get caught or the window cleaner accidentally gets an eyeful! It's just that I find being naked relaxing and sensual."

KP: ONLY PR IS SAVING COOK!

Old team-mate says skipper has to walk

KEVIN PIETERSEN says England captain Alastair Cook is only still in the job because it would be "another PR disaster" to sack him now.

Pietersen has also urged Cook to give up the captaincy and seek emergency help for his batting – for the good of England and himself.

Cook has found himself under increasing pressure both as skipper and as opener following a miserable run which has seen England lose seven of their last nine Tests and the 29-year-old score just 129 runs in nine attempts.

Outspoken Pietersen, who was axed by England in February following the team's nightmare winter tour to Australia, feels Cook must now resign, suggesting it is only politics that are still keeping him in the role.

"At the moment, only politics are keeping Cook in a job," said KP.

Wasted

"The ECB backed him so much that it would be yet another PR disaster if they sacked him now.

"But the ECB need his runs back more than anything else, so a big decision has to be made.

"They should forget the bad headlines for once."

However, the South Africa-born batsman does believe Cook still has a lot to offer England if the left-hander can rediscover the form that has earned him a national record 25 Test centuries – two more than Pietersen.

"He should do what is right for England and resign the captaincy. He has shown he does not have the tactical brain to lead the side," said Pietersen.

"England badly miss Cook, the opening batsman, scoring 150 to set games up at the top of the order. Relieved of the captaincy, I don't think it's too late for him to rediscover that form.

"He could have another 10 years left, but his batting requires emergency help.

"He needs to speak to someone away from the England set-up. He has to be honest with himself."

Pietersen feels Cook should seek advice from some of the many former internationals now working as pundits, saying they are a valuable resource that is wasted.

He added: "Cook needs people around him with experience of international cricket.

"There are so many great cricket brains in the Sky studio. Put that radio in your ear and listen to them on the balcony. Mike Atherton, Nasser Hussain or whoever could be saying something useful to your game."

ILL UNCLE KO'D FURY FIGHT

BOXING

TYSON FURY pulled out of last night's clash with Alexander Ustinov after his uncle and trainer was taken seriously ill.

Fury *(right)* had initially been due to fight Dereck Chisora at the Manchester Arena – but after the 30-year-old had to pull out through injury on Monday, 37-year-old Belarusian Ustinov was brought in as a replacement.

However, that heavyweight fight didn't take place either after Fury's uncle, Hughie, was taken to hospital.

A Queensberry Promotions statement read: "Tyson Fury has withdrawn from his heavyweight contest against Alexander Ustinov after his uncle and first trainer, Hughie, was taken seriously ill into hospital.

"Tyson's uncle and trainer Peter took the decision to pull him out of the fight rather than risk his health by sending him into the ring with his mind not focused."

Promoter Frank Warren added: "I'm very disappointed for the fans. After Dereck Chisora pulled out because of his hand injury, we worked very hard to secure a world-ranked opponent in Ustinov.

"It's sad that his uncle Hughie is in a serious condition and our thoughts are with him.

"The show will still go ahead and it's a great card with Billy Joe Saunders, Liam Smith, Terry Flanagan, Jack Catterall and Nathan Brough all in title action.

"We will be announcing the rescheduled date for Chisora v Fury next week."

Chisora broke his hand sparring with Ustinov in preparation for the Fury fight.

WIN DOUBLE: Alistair Brownlee

Fab four grab England gold in triathlon mixed relay

ENGLAND'S dream team made it a clean sweep of gold medals in the triathlon with a dominant victory in the mixed relay.

Vicky Holland, Jonny Brownlee, Jodie Stimpson and Alistair Brownlee were all medallists in the individual events on Thursday – the latter two winning gold.

And they never looked like being beaten as a team, Alistair Brownlee crossing the line 49 seconds ahead of second-placed South Africa, with Australia third.

But Alistair Brownlee appeared fortunate to get away with stepping out of the changeover box as he took over from Stimpson, which could have incurred a 15-second penalty.

Not that it would have denied England victory anyway – and he again sauntered down the finishing straight with a St George's Cross flag in each hand.

The event – which involves each athlete completing a 250m swim, 6km bike ride and 1.6km run – was making its debut at a major Games.

History

And after another golden performance Alistair Brownlee said the mixed relay event was "fantastic" and a "great way of testing athletes' strengths and weaknesses".

Veteran shooter Michael Gault made Commonwealth Games history when he won bronze for England in the 10-metre air pistol event.

The 60-year-old grandfather from Norfolk, competing in his sixth Games, equalled the record for Commonwealth medals in any sport by bagging an astonishing 18th podium place.

Gault came out of retirement in a bid to break the record held by another shooter, Phillip Adams.

He has now pulled level with the Australian, who has long since retired, and could move out on his own as the most decorated Commonwealth athlete in history with a 19th medal in the 50m event tomorrow.

Solar looks Magic for flying Gosden

2:30

Class 2 Maiden ~£13k 6f 2yo: This exciting maiden for unraced colts is headed up by the William Haggas-trained Auspicion, out of champion two-year-old filly Superstar Leo, who won the Flying Childers Stakes. By Dansili, this makes him a half-brother to Enticing and a three-part brother to Sentaril.

Their biggest rival may be the Oasis Dream colt GROWL. His dam is a full sister to Hurricane Cat, who twice came third in the Tetrarch Stakes at the Curragh, and was out of a prolific Group 1 winner in America.

Hannon and Hughes team up with Desert Force, who is out of a Moyglare winner in Mail the Desert. The Equiano colt was bought for 140,000 guineas last October.

The Darley-bred Flash Fire cannot match these on pedigree. The third dam did, however, twice come third in the Kentucky Oaks.

Clive Cox snapped up Pressure for 85,000 guineas, and it is noted his second dam threw Imperial Dancer.

3:05

12f C12 Handicap: This is a decent handicap, in which PALLASATOR is expected to run well. The gelding has put in some decent weight-carrying performances at this level, and should go well under Luke Morris.

The Lady Cecil-trained Retirement Plan rounded off last season with a win in a Class 3 handicap. He came ninth on his reappearance at Thirsk in April, but he can put that run behind him and go close for Ryan Moore.

Expert Fighter is the mount of Kieren Fallon, who rode him in a close victory last time out. This race is a step up in class, though.

David O'Meara fields two, including Chancery who has been running well of late. The gelding finished third to Shiekhzayedroad in a listed race before coming fifth in the John Smith's Cup.

He appears to be a York specialist, but can run well on his first start at Ascot.

3:40

C14 Hcap 6f: Kieren Fallon is booked for nicely-weighted AUTUMNS BLUSH. The Jeremy Noseda-trained filly should run well, evidenced by a decent fifth in a listed race at the start of the season.

Meritocracy looks like he can be competitive in this race. Another by Kheleyf, he was most recently seen in Chantilly finishing a good fourth.

Prior to that, he put in some good runs at Goodwood and Kempton. Cam Hardie takes off a valuable five pounds.

Gary Moore and Ryan Moore team up with the interesting Dutch Interior, who has shown his best form over sprint distances.

The Dutch Art gelding most recently finished a good third a fortnight ago.

Polybius certainly looks to be improving, and carries and extra six pounds for a decisive win at Windsor last time out.

The Oasis Dream gelding has a tough ask under top-weight, but is one for the shortlist.

4:15

C13 Hcap 10f: The best form here may belong to AGENT MURPHY, who has won on his two starts to date, including a decent race at Sandown off a similar weight last month. Jimmy Fortune rides the Brian Meehan-trained colt.

Good Value is also worth a closer look in this race. The gelding put in two good seconds, before a marked step up in class. He can fare better in this race, and Ryan Moore does the steering.

Raise Your Gaze is evidently talented, having won comfortably at Sandown earlier this month. The son of Mastercraftsman can go well once more, even under a penalty, and talented Adam Kirby is booked for the ride.

Lungarno Palace looks fairly treated, after a good win at Newmarket last month. Martin Harley is booked, and they could go close.

Redkirk is another to win his maiden, but that looked a fairly weak contest at Yarmouth.

4:50

Maiden Fillies' Stakes 3yo C14 1m: You could easily give a chance to all five of these. SOLAR MAGIC (NAP) has not run since April, but she finished a close third here in a similar race to this.

Of those that have run, Brown Diamond could only finish last in a listed race last time out, but her two runs before that indicate potential.

Blue Waltz has a fair second to her name, and represents Luca Cumani and Adam Kirby.

Of the newcomers, Zora Seas, by Marju, is out of a listed winner, and is a half-sister to Rose Bowl winner Al-Aasifh.

Mississippi Queen wears a hood on her first start, and will be ridden by five-pound claimer Louis Steward. She is a half sister to Asi Siempre, who won many high profile races including the Spinster Stakes at Keeneland and later sold for $3million.

Going back, her second dam was also very successful, both as a racehorse and a broodmare.

5:20

C12 Handicap 5f: The concluding race of the meeting is this decent handicap.

Robot Boy catches the eye, having been sold off by Qatar Racing earlier in the year. His new owners have capitalised, with the gelding already winning two handicaps last month, and coming third in a similar race here recently.

Clive Cox and Adam Kirby have a noted runner in MILLY'S GIFT. She finished a close second in a decent handicap here last month, and can be expected to go close off a slightly higher mark.

Previous winner of this race in 2012, Taajub, has only won once since then, but this could represent a target for his trainer and the gelding can go well.

Peterkin most recently saw off Green Door in a five furlong handicap at Chester. The Invincible Spirit colt is one of two three-year-olds in the race, and can put in a bold show for Mark Johnston and Joe Fanning.

Tag team reigns in King George

TAGHROODA beat a stellar field in the King George VI And Queen Elizabeth Stakes.

The Oaks winner maintained her unbeaten record as the filly swept past Telescope and Mukhadram to land the summer showpiece in style.

Taghrooda (7-2), trained by John Gosden and ridden by Paul Hanagan, won by three lengths from 5-2 favourite Telescope, with Mukhadram (12-1) just a short head away in third. Hanagan said: "It's such a buzz, something you never think would happen.

"I'm just so delighted for the whole team - a great job.

"They went hard and I didn't plan to sit that far back, but you can only go as fast as you can and she adapted really well.

"If you look at her she's hardly had a race — she's so laid-back."

Gosden said: "I'm thrilled and it was a great ride. I couldn't have been more pleased with her."

Taghrooda was cut to around 7-1 to follow in the hoofprints of her sire by winning the Prix de l'Arc de Triomphe at Longchamp.

Gosden said: "The Arc would make some sense but it's entirely up to the owner."

He added: "She had to show a great attitude and she's been a lovely filly to train.

"She'll handle most ground so we'll see.

"Races like the Yorkshire Oaks and then the Arc — that's probably a nice pattern for her."

Lazarus to answer call

IN last week's paper I put up six tips and we had five winners — so close to a brilliant full house. We can't rest on our laurels though so let's see if we can take some more money off the enemy bookmakers. There's a top quality card at Sittingbourne tonight live on BAGS/SIS in all bookmakers nationwide and I think I've found us a few cracking bets.

Tyrur Lazarus arrived in the UK with a big reputation he was turned over on debut at Hove but tonight he can get his career under Jason Heath well and truly up and running.

Strongest

He goes in the heat of a Maiden competition and his opposition look mediocre at best I will be upset and disappointed if he does not win this race.

It could be a double for the Heath camp who also send out Rise Of Fayjen in heat two of the same competition.

He's top grade at Hove which for me is the strongest grade in the country and should see him be too good here.

Toms Knowledge took the last £500 final a couple of weeks ago, he will land another monkey here, this lad is top notch who could be a force in bigger competitions.

SKY SPORTS TUESDAY

It is the final of Coral Sussex Cup worth £10,000 to the winner and the two ante-post tips Bubbly Gold 10/1 and Forest Gavin 14/1 both each-way have made the final.

Both should finish in the top four to land us at least the place money.

Tune into Sky Sports at 21.19 to see this incredible final.

TONY ENNIS

The famous horse racing and greyhound broadcaster is part owner of Cheers Tony who lines up in the Coral Sprint Final worth £2,500 to the winner.

If there is a nicer person than Tony in the sport I've never met them and I'd love to see Cheers Tony on the podium for the great man.

He looks to have Southern Mesut to beat but if he comes away in his best fashion he can land this great two bend competition.

Live on Sky Sports at 19.49 but don't forget you can join me in the broom cupboard from 19.00 on Twitter @SkyGreyhounds and the programme goes on air at 19.30.

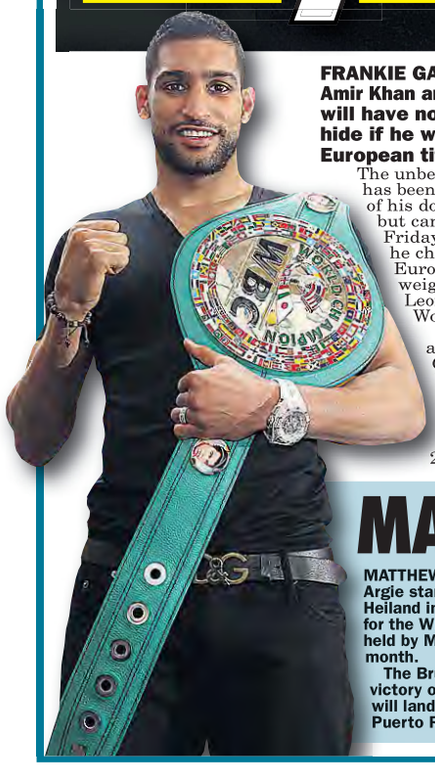
Gav: I'm ready to take on the big boys!

TURNING POINT: Frankie Gavin sees Bundu as a stepping stone to bigger and better things



FRANKIE GAVIN reckons Amir Khan and Kell Brook will have nowhere to hide if he wins the European title.

The unbeaten Brummie has been in the shadow of his domestic rivals, but can emerge on Friday night when he challenges European welterweight champion Leonard Bundu in Wolverhampton.

Former world amateur champ Gavin should have made much quicker progress, having turned pro in 2008, but his performances are finally shining.

Gavin, who has won all 10 pro scraps, said: "You don't need a world title on the line to make me versus Brook or Khan *(left)*.

"I might not be as big a name as both of them but I was a better amateur than them. I'm undefeated and bring a good record to the table.

"I don't want excuses from them like, 'I want a world level opponent', because I am a world level opponent, and Bundu is also a world level opponent.

"If I beat Bundu then they've got no excuses. I'd love to fight either of them, hopefully before Christmas."

Promoter Frank Warren would also back his man and made it clear he would be happy to pitch him in against Khan, who is ironically looking for an opponents later this year.

Gavin, ranked in the top five by the WBA, IBF and WBO, insists defeating fellow southpaw Bundu will prove that he belongs among the world's elite.

Stamina

Italian Bundu may be 39 years old but is undefeated in 30 fights and will be making the sixth defence of the title he won in November 2011.

He stopped Colchester's Lee Purdy in London seven months ago and Gavin admitted: "It's a very tough fight. Bundu has proven himself as the best in Europe. It looks like he punches hard to the body and throws plenty of decent shots to the head, but he gets hit – and let's not forget he's 39. He's there to be beaten.

"He's got good stamina, as he showed against Purdy. However, it was a close fight up until Purdy tired himself out.

"No disrespect to Purdy, but we are totally different level fighters. Who knows? If they had a rematch, Purdy might have beaten him.

"Winning this fight will open massive doors for me, whether I go straight to a world title or defend the European championship.

"If I'm not in my prime, I'm very close to it."

MACK WANTS CRACK AT COTTO

MATTHEW MACKLIN takes on Argie star Jorge Sebastien Heiland in an official eliminator for the WBC middleweight title held by Miguel Cotto next month.

The Brummie, 32, hopes victory on August 30 in Dublin will land him a crack at the Puerto Rican great. Macklin *(right)*, who is ranked at nine in the division, is chomping at the bit to get back into the ring – and he has set his sights on a showdown with Cotto.

"For the last few years now all my fights have been in the US. And, while it's been great having big fights in New York and Las Vegas, I've definitely missed fighting at home," said Macklin, whose parents are Irish.

"There's a huge appetite among boxing fans to see big-time boxing back in Dublin. There's no atmosphere in the world like an Irish fight night."

Heiland has won 23 of his 29 fights and is ranked fourth by the WBC.

BIG BLOW: Hamilton

HAMILTON POLE BID GOES UP IN FLAMES

FORMULA ONE

Hungarian GP – Today, 1pm

LEWIS HAMILTON will have it all to do yet again after starting at the back of the grid for the second race running.

The Brit was helpless as his Mercedes burst into flames in yesterday's first qualifying session.

It was yet another brutal blow in his bid to overhaul team-mate Nico Rosberg in the race for the world title.

In the build-up to this race, Hamilton spoke of his desire to enjoy a clean weekend without errors or unreliability.

But the 29-year-old must be feeling like this just isn't his year after yet more wretched luck.

Mechanical failures had already led to two DNFs in races, as well as putting him last on the grid at last weekend's German Grand Prix.

And another cock-up in his car means he'll be faced with the same situation today.

A forlorn Hamilton, who had been quickest in all three practice sessions, said: "Something on the brake system failed, so I had to engage some settings to try to correct it, then the engines died.

Struggle

"I was next to the pit entry so I thought I'd roll back and get them to fix it, but then I looked in my mirrors and it was on fire.

"It's beyond bad luck now. It's something else. We just need to do better."

As for his hopes for the race, Hamilton added: "I honestly don't know what I can do. This is a track where you can't overtake, so I think I'll struggle to get in the top 10.

"I don't know what to say. I'll try my best."

Rosberg again took full advantage of his team-mate's woes, taking pole from nearest challenger Sebastian Vettel by almost half a second.

Williams' Valtteri Bottas lines up third, followed by Daniel Ricciardo in his Red Bull and Fernando Alonso in his Ferrari.

Rosberg was again left disappointed he won't be battling it out at the front with Hamilton today.

The German said: "It's a pity for the team. Not a good thing definitely. We need to keep on top of our reliability issues.

"I would prefer to be out there battling with Lewis, that would give me an adrenaline rush, so this takes away some of the adrenaline."

ON HIS WAY: Nastasic will be forced out by the arrival of Eliaquim Mangala *(inset)*

By PETE OLIVER

EL SIGNING NASTY FOR NASTASIC!

MANCHESTER CITY are set to cash on in Matija Nastasic as they close in on a deal for Eliaquim Mangala.

With Mangala on his way in from Porto, Nastasic will slip even further down the defensive pecking order at the Etihad.

And boss Manuel Pellegrini has decided to sell to help balance the books with a £12million deal so he can free up a place in his squad for another overseas player.

Nastasic has no shortage of admirers and could remain in England with Arsenal keen on the 21-year-old centre-back – especially if the Gunners allow Thomas Vermaelen to join Manchester United.

Hacked

But Pellegrini may prefer to sell abroad and Nastastic has options, with Inter Milan and Roma also chasing the Serbia international, who played 20 games for City in all competitions last season.

As the Mangala saga drags on, City are trying to find out how their in-house TV footage was apparently hacked to allow video of the defender having a medical in Manchester to be shown on their club website. Mangala is expected to complete his £23m move from Porto and was filmed promoting his move to the Etihad a couple of weeks ago.

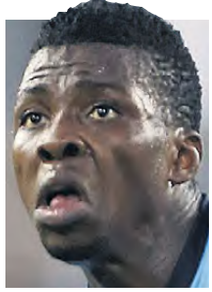
But the video – which was quickly taken down by City – was not supposed to be released, with the club insisting a deal for the France international defender is not yet complete.

City are also hoping to sign 17-year-old wonder-kid Kelechi Iheanacho on a permanent basis after he starred in a win over Sporting Kansas, which kicked off their United States tour.

Pellegrini wants to keep the Nigerian teen striker, who scored in the 4-1 win, if City can overcome work permit issues.

"He's a very important player for us," said the City boss.

"For the moment he will stay with us and we'll see when we return to England what will happen with him."



TOP PROSPECT: Iheanacho

Yanga will cost Al wonga

UNHAPPY: Yanga-Mbiwa

By JASON MELLOR

ALAN PARDEW has been told he can offload Mapou Yanga-Mbiwa – if Newcastle cough up £500,000.

Toon will listen to offers for the unsettled French defender, who has failed to hold down a regular place during a rocky 18 months at St James' Park.

Bordeaux are interested in a season-long loan for the 25-year-old, but only if the Geordies continue to stump up half of his £30,000-a-week wages.

That works out at more than £500,000 for the entire campaign if Toon choose to take the Frenchmen up on their offer. Rivals St Etienne and Lens are also monitoring the situation, with both clubs keen to seal a loan move.

Yanga-Mbiwa hasn't been frozen out like compatriots Hatem Ben Arfa and Gabriel Obertan and is currently with Pardew's squad on tour in New Zealand.

But the £6.7million centre-back has had a frustrating time on Tyneside, where he has been forced to fill in regularly at right-back.

The former French youth star, who arrived from Montpellier in January 2013, made just 17 starts last season and is keen to return home.

When it's club v country, there's only one winner

WHY do our footballers retire from international football so quickly? While 36-year-old Germans are setting World Cup goalscoring records, our lot have long since hung up their Three Lions emblazoned boots and are having the next volume of their autobiography ghost-written – or, like Stevie G this week, becoming "ambassadors" for the game.

You could argue that Carragher, Shearer, Scholes and Gerrard all donned their St George slippers too early.

At the time, they said they were doing it to prolong their domestic careers.

Well, if that isn't evidence that the Premier League is more important in this country than the national team, then I don't know what is.

We need to face facts. All the bluster and madcap proposals from Dyke and his cronies mean nothing, because the top league in this country operates like no other would ever dream of doing.

The Premier League is a business, with its clubs as shareholders and almost totally independent from the FA (apart from the fact that the FA has the right to veto any proposals).

It is in the Premier League's interests to attract the best players from abroad to instantly "enhance the brand", not nurture a homegrown league for the benefit of good old Blighty.

England winning is neither here nor there.

Can you imagine the same being tolerated in Spain or Germany?

Steve Gerrard could, and arguably should, have continued playing for his country.

He may not be the best midfielder in the world but he's still a bloody good player.

But the way things are stacked so hugely in favour of club football in England, he's probably thinking: "Why should I bother?"

And who could blame him?

THE latest expert to chip in with advice on how to fix our broken footballers is American coach Tom Byer.

Byer believes we should be nurturing kids' ball skills from the age of TWO.

The American coach feels too much emphasis is placed on kicking the ball and not enough on technique.

Bloody hell, if it's taken a Yank to point this out to us, I think we really are doomed!

GERMAN CLUBS STILL FAN-TASTIC

QUOTES from former Bayern Munich president Uli Hoeness at the start of last season have been doing the rounds on Twitter again this week.

He was explaining why they only charge £104 for a season ticket, saying that his club decide not to "milk fans like cows" as we do in England (the cheapest season ticket at Arsenal is £985).

Hoeness *(left)* said: "Let's say we charged £380. We'd get £2.5m more in income, but what is £2.5m to us?"

You have to admit, it makes perfect sense.

Of course, Uli is currently doing time for tax evasion, but we still like your thinking mate!

The Malaysians at the opening ceremony looked very nervous.

They may have been thinking about the flight home already. I don't blame anyone being nervous of flying these days.

It's so perilous that last week I put my mobile phone into "airplane" mode and Russia shot it down.

I'm flying to Greece next week and think, as well as the bags, it might be prudent to put tags round my big toes as well.

Louis van Gaal isn't nervous about the prospect of steadying the ship at Old Trafford.

I reckon he'll get them off to a great start this season with five Premier League wins out of five.

NIC PICK: Gaitan is next on Liverpool boss Brendan Rodgers' hit list

No reason to panic for Matt

By IAN WINROW

MATT JARVIS insists there is no need to press the panic button after West Ham's difficult start to pre-season.

Defeat to Sydney FC meant the Hammers suffered defeat in both their warm-up matches in New Zealand – as well as losing striker Andy Carroll to a serious ankle injury. But winger Jarvis *(left)* insists positives can be drawn from the trip as Sam Allardyce's men prepare for the opening day of the Premier League campaign.

Jarvis said: "We need to keep working hard and take the fitness we have built in these two games and build confidence to go into our next week of pre-season training and our next game.

"We don't need to beat ourselves up that much, because it is pre-season.

"We need to start to know exactly what we'll be doing tactically for the rest of the season.

"We need to make sure we are bang at it come the start of the season."

RODGERS BACK TO NICK NIC

Kop boss in second raid on Benfica

By TIM ABRAHAM

LIVERPOOL are ready to raid Benfica for a second time this summer as they try to land Argentina star Nicolas Gaitan.

The Reds have already prised Serbia playmaker Lazar Markovic from the Portuguese champions for £20million – and tricky winger Gaitan is next on their list.

Kop boss Brendan Rodgers is eager to add more attacking flair to his side after the £75m sale of Luis Suarez to Barcelona.

And Rodgers believes 26-year-old Gaitan could partially compensate for the loss of the brilliant Uruguayan, especially after Liverpool lost out to Arsenal for Chile star Alexis Sanchez.

Challenge

Gaitan has a £35m buyout clause in his contract, but sources close to Benfica claim they would let the player leave for less.

The wideman also interests Monaco, although Gaitan is understood to prefer a move to the Premier League.

Liverpool have also sealed a loan deal for Atletico Madrid right-back Javier Manquillo.

The 20-year-old will move to Anfield for the next two seasons, with an option to buy him at the end of that agreement for £5.5m.

Out-of-favour goalkeeper Pepe Reina expects to remain at Liverpool this season and challenge Simon Mignolet to be first choice between the sticks.

NO SALE: Pepe Reina

The Reds have been unable to sell the Spain international, who spent the last campaign on loan at Italian outfit Napoli.

But potential suitors are unwilling to match his wage demands.

Reina still has two years left on his £110,000-a-week contract and admits he is unlikely to return to Napoli or his native Spain soon.

"I have a contract to respect with Liverpool. I am training well and I am perfectly fine with my team-mates," he said.

"I am here to stay. I have not talked to Brendan Rodgers, I have been with the squad in America for only a few days and I am just thinking of training to my best and getting back into shape.

"I want to be at the top and to play as many games as possible.

"All the big Spanish teams are covered in my role, so I see it as very difficult to return to Spain."

DONE DEAL: Lazar Markovic is already signed up

BRUCE FEARS EURO FLOP

By JASON MELLOR

STEVE BRUCE insists Hull's European adventure is in danger of falling flat unless they pep up their pre-season.

The Tigers make their Europa League debut in Thursday's third qualifying round trip to face Slovakians AS Trencin.

But worried boss Bruce *(left)* reckons his troops could be caught cold in a game they should win easily if they don't step up the pace in the next few days.

Bruce admits there's plenty of room for improvement for his beaten FA Cup finalists from what he's seen so far.

He said: "I hated pre-season as a player – and I hate it even more as a manager.

"No matter how you try to fluff up a friendly, it's just not the same – and quite often half the crowd is asleep during the warm-up games!

"We will have to make sure that we snap out of it. You can be sure we'll to be in competition mode, because the Europa League game will be a different kettle of fish."

Hull host Trencin in the second leg on August 7, a little over a week before the big Premier League kick-off.

Bruce added: "Some players are ahead of others in terms of where they are in pre-season fitness.

"Physically, everyone's working hard but we just need to step it up with such an important start to the season on the horizon."

Poyet and Lambert chasing Wass class

SUNDERLAND and Aston Villa are locked in a battle to land £4million-rated Danish midfielder Daniel Wass.

The Evian star *(above)* has attracted interest from a host of Premier League clubs with a string of stand-out displays for the French side.

And the former Benfica playmaker is keen to test himself in England after admitting he'd find it hard to turn down a move.

Wass has two years left on his £12,000-a-week deal but believes playing in the Premier League will help press his international claims with Denmark.

Sunderland boss Gus Poyet and Villa opposite number Paul Lambert have had glowing reports on the 25-year-old.

The Black Cats will test the water with a £3m bid.

DYCHE LIKES DANNY

By PETE OLIVER

BURNLEY are weighing up a possible move for Sunderland outcast Danny Graham.

The striker *(below)* has not gone on the Black Cats' pre-season tour of Portugal and is surplus to requirements at the Stadium of Light.

Middlesbrough are at the front of the queue to land the 28-year-old after a loan spell at the Riverside last season.

But Clarets boss Sean Dyche is also interested in a player he previously worked with at Watford.

Graham has struggled to score goals at Sunderland and on loan at Hull since ending a prolific spell at Swansea.

But Dyche sees the Geordie as a low-risk signing to provide extra striking options to Danny Ings, Lukas Jutkiewicz, Marvin Sordell and Ashley Barnes.

Scotcha! £2m snares Andy in Tigers' trap

HULL boss Steve Bruce has beaten Sam Allardyce in the race for rising Scotland star Andy Robertson.

The Dundee United left-back *(above)* will complete a move to the KC Stadium tomorrow after the Tigers clinched a £2million deal.

The fee could rise to £3m, with Bruce finally landing a long-term target who was also wanted by West Ham.

Former Queens Park part-timer Robertson is rated one of the brightest prospects north of the border after just one season in the SPL ended with a first Scotland call-up in March.

Bruce still wants to sign a central defender and is growing frustrated in his chase for Sheffield United's Harry Maguire, with the Blades refusing to drop their £3m asking price for the 21-year-old.

NIGERIA LURE FOR VIC

By BRENDAN McLOUGHLIN

WEST BROM'S Nigeria internationals hold the key to their bid to sign Victor Moses.

The Baggies have identified the Chelsea wideman *(below)* as a top target as they look to bolster their attacking options for next season.

Moses spent last season on loan at Liverpool and Chelsea are open to either selling him or loaning him out for another campaign.

Southampton, QPR, Swansea and his former club Crystal Palace are also keen on Moses.

But Albion have two aces up their sleeve, with Nigeria duo Victor Anichebe and £10million club record signing Brown Ideye already on the books.

And the chance to link up with his Super Eagles colleagues is certain to appeal to Moses.

Terriers desperate to keep grip on Clayton

HUDDERSFIELD are battling to hang on to in-demand midfielder Adam Clayton despite rejecting a £1million bid from Championship rivals Middlesbrough.

Town are braced for an improved offer for the 25-year-old playmaker, who has just 12 months left on his current deal.

Norwich, Nottingham Forest and Wigan are also monitoring the former Leeds schemer, who has scored 11 goals in 94 appearances since moving from Elland Road two years ago.

The Terriers are in no hurry to sell and are keen to tie Clayton *(above)* down to a new long-term contract at the John Smith's Stadium.

But they will demand £2m if Clayton makes it clear he wants to move to the Riverside.

KI OPENS DOOR FOR VILLA BID

ASTON VILLA are confident of completing a deal for Ki Sung-Yueng next week.

Villa have been chasing the South Korea ace *(above)* throughout July but the deal has been delayed while the player mulls over his options.

Swansea want to keep the ex-Celtic man, but only if he will sign a new deal as he could walk away for free next summer.

Yet that looks increasing unlikely with the midfielder keen to move on after the Welsh club farmed him out last term to Sunderland.

And Villa are optimistic a deal can be finalised upon their return from their US tour this week.

Villa boss Paul Lambert is also eager to resolve the contract situations of Ron Vlaar and Fabian Delph, whose deals have just 12 months to run.

OGENYI'S ON RADAR FOR MART

EVERTON will step up their pursuit of £6million-rated Lazio midfielder Ogenyi Onazi this week.

Toffees boss Roberto Martinez is keen to bring more depth to his squad with the added test of a Europa League campaign to contend with.

And the Spaniard has identified 21-year-old Onazi *(above)* as a significant addition.

Everton attempted to sign the Nigeria international in January, only for the move to hit a stumbling block, but they are set to launch a fresh bid to bring him to Goodison Park.

Onazi's World Cup was ended by a late tackle from Blaise Matuidi during France's win over the Super Eagles, but a scan did not show any major damage.

Everton will confirm the signing of Bosnia star Muhamed Besic, 21, in the next 48 hours as they put the finishing touches to his £4m move from Ferencvaros.

Van will Shaw

LOU & MOURINHO SET FOR PRIVATE

LOUIS VAN GAAL looks set to speak to Jose Mourinho over his claim that signing Luke Shaw would have "KILLED" Chelsea.

By TREVOR WILLIAMS

Shaw became the fourth-most expensive defender in history this summer when he signed for Man United for an initial fee of £27million.

Chelsea – who Shaw supported as a youngster – were interested in the 19-year-old, but Mourinho revealed he pulled out of a bid to sign the player due to his wage demands.

The Chelsea manager claimed Shaw's reported wages of around £100,000 a week were way too large for a player who only made his Premier League debut in November 2012.

"If we pay to a 19-year-old boy what we were being asked for, to sign Luke Shaw, we are dead," Mourinho was quoted as saying. "We would have killed our stability with financial fair play and killed the stability in our dressing room, because when you pay that much to a 19-year-old kid – a good player, fantastic player – but when you pay that amount of money, the next day, we would have had players knocking on our door.

"They would have been saying, 'How is it possible I play 200 games for this club, won this and that, yet a 19-year-old comes here and gets more money than I get?'"

drawn into a public war of words with Mourinho – a protege of his at Barcelona – but it appears he'll discuss the matter privately with the Portuguese.

"I don't think I have to discuss things in the media, it's better to discuss it with Jose," he said.

Mourinho recently spoke about how he was looking forward to coming up against the man he assisted at the Nou Camp for three years.

The Chelsea boss said earlier this week that there is a "fantastic relationship" between the pair, but that could be tested this season if the Portuguese criticises Van Gaal's new charges.

After signing Diego Costa, Filipe Luis, Cesc Fabregas and Didier Drogba, Mourinho is happy with his squad.

Unimpressed

That is not the case for Van Gaal though. The Dutchman is looking to sign at least one centre-back before the transfer window shuts and another midfielder. One of those on Van Gaal's shortlist is Kevin Strootman.

Roma coach Rudi Garcia insisted on Friday that the Holland midfielder would not leave the Italian club this summer.

But Van Gaal refused to rule out the possibility of signing the 24-year-old once he recovers from the knee injury he suffered in March.

"We have to wait and see how he comes back from his injury, he has been out for over six months," he said. Van Gaal admitted he has been unimpressed with some of United's players so far.

The Dutchman gave Chris Smalling a bollocking during an open training session in Denver and was not impressed by a group who missed the target from free-kicks.

Tom Cleverley reckons he's an ideal fit for Van Gaal's style of play.

The midfielder, who had a stinker last season, said: "I watched Holland in the World Cup and I think I can be his type of player."

ROM DEAL: Lukaku's days are numbered after the arrival of Drogba

DROG RETURN PUTS LUKAKU ON THE MOVE

By IAN WINROW

ROMELU LUKAKU will be the first casualty of Didier Drogba's sensational return to Chelsea – putting Everton and Tottenham on red alert.

Lukaku has been pondering his future at Stamford Bridge after two successful loans spells with West Brom and Everton.

And after seeing Drogba return on a one-year deal, the Belgium striker knows he must quit West London to find regular first-team football.

Drogba's arrival means the Ivorian and Fernando Torres will provide back-up behind first choice hit-man Diego Costa, who arrived from Atletico Madrid this summer.

While Demba Ba and Samuel Eto'o have left the club, Blues boss Jose Mourinho was happy to operate with three forwards last season.

That means there is no first-team spot for World Cup star Lukaku – and Chelsea must decide whether to cash in on the youngster or farm him out on loan again.

Lukaku's exploits at Everton last season saw his value soar to around £20million.

Toffees boss Roberto Martinez is desperate to take the Belgian – currently training at former club Anderlecht – back to Goodison Park.

Hungry

But with money tight at the Merseyside club, Tottenham could swoop as new Spurs manager Mauricio Pochettino is to boost his squad's firepower.

Drogba left Chelsea in 2012 after helping the club win the Champions League.

And the 36-year-old insists he is hungry for more success.

The striker said: "It was an easy decision – I couldn't turn down the opportunity to work with Jose again.

"Everyone knows the special relationship I have with this club and it has always felt like home to me.

"My desire to win is still the same and I look forward to the opportunity to help this team.

"I am excited for this next chapter of my career."

GUNNERS PLAN RAID FOR CALLUM

ARSENAL are close to signing Southampton's Callum Chambers for £16million.

The Saints' rising star, 19, *(above)* can play at either centre-back or right-back and is the latest talent to come out of the south coast club's impressive academy set-up.

And with Dejan Lovren close to sealing a£20m move to Liverpool, it leaves Ronald Koeman's side short at the back.

Left-back Luke Shaw has already left in a £34m deal to Man United and forwards Rickie Lambert and Adam Lallana joined Liverpool earlier this summer.

Southampton insist they are NOT a selling club but the fire-sale looks to be well underway at St Mary's.

Morgan Schneiderlin is an £8m target for old boss Mauricio Pochettino – now at Tottenham – who is also interested in striker Jay Rodriguez.

ON HIS WAY? Cavani has missed PSG's trip to Asia

MANCHESTER UNITED boss Louis van Gaal will pile the pressure on his stuttering strike force with a bumper £40million bid for Edinson Cavani.

By PETE OLIVER

The Dutchman has been unimpressed with back-up strikers Danny Welbeck and Javier Hernandez and will allow one of them – or even both – to leave.

And Van Gaal will let Wayne Rooney and Robin van Persie know their places are under threat by bringing in PSG striker Cavani to challenge them.

Speculation around the move went into overdrive last night after Cavani was left out of his side's pre-season tour of Asia.

Luke Shaw and Ander Herrera were already in place when Van Gaal took the reins at Old Trafford

He has since drawn up a list of targets and Cavani is poised to become the first to be successfully captured under the new regime.

The Uruguayan has spent just one season with the French champions after a record-breaking £55m move from Napoli.

He weighed in with 25 goals to enhance his record in European club football.

But he is sick of playing second fiddle to Zlatan Ibrahimovic and is willing to sit out Champions League football for a year for the chance to join United.
